TEASE!

THIS · MONTH · IN · CLUB

A lorra, lorra Lorraine

Our panto dept presents: *Printo and the Pussies of Doom.*

"Nya-ha-ha-haaaa!" laughed the evil printer in his den. "Those Club chappies think they have filled this festive issue with the very finest in foxy females, but they have forgotten just one thing: I, Printo the Pathetic, Master of the Web Offset, Lord of the 75 gsm Double Coated Paper, Ruler of the Inks, will put paid to their puny penis-pleasing plans!"

With a spine-chilling cackle of evil laughter, Printo hobbled off through the darkened plant, heading for the press room. The wind howled eerily across the moor outside as he approached the massive machines, bent upon dirty work.

"Nyaar hee hee ha haargh!" he gurgled, as he bent over the powerfully sexy Christmas issues of Club hurtling towards the bindery. "Printo is my name, mammary mischief is my game!" And with that, he took up a huge magic ink roller and started to cover the luscious ladies with pink and purple dots, shift pages out of sequence and catastrophically alter ink balances.

"Hold it there, Printo!" came a voice from the shadows.

"It cannot be!" squealed the evil one.

"But it is!" came the voice in reply. Stepping into the light, the mysterious stranger was revealed as... the Ed!

"You've nobbled your last nipple, Printo. For I, the Ed, High Chief of the Kodak and Knight of the Round Nipple, will foil your evil scheme!"

"You'll never take me alive, Knob-Ed!" screamed Printo (using the Editor's full title). With that, he leapt into the churning machinery of the roaring four-colour Heidelberg press. There was a sickening splurge, and chunks of Printo splashed over all over the place.

"Thus ends the demon of the dodgily-printed duff," mused the Ed. "From now

The Ed would like to take this opportunity to apologise to the printers, who are very nice and don't have a limp.♣

SON OF BAD JOKE

This month's bout of rib tickling merriment comes courtesy of Jimmy from Cumbria, whose jokes are about as welcome as a blow-job from an alligator...

This tramp went up to a big house and asked the rich lady if he could do any odd jobs for her, as he was hungry and had no money.

"Go round the back and paint the porch," she told him, "and I'll give you ten pounds. You'll find brown paint and some brushes round there."

In two hours he came back to her saying he had finished the job, so she gave him the money and thanked him.

"Oh by the way," the tramp told her, "It's not a Porsche, it's a Ferrari!"

***Well thanks a bunch Jimmy, your jokes were so funny The Ed bust his colostomy bag laughing. Now we're all in the shit.*♣**

Older Women Do It Better

I've been a great fan of Club for four years now, and the thrill I get from sharing your readers' sexy experiences has prompted me to tell you about one of my most horny memories.

When I was a shy, 18-year-old virgin, my parents went away on holiday, and I stayed with the family of my mum's best friend. I'd known Mary since I was a little kid, and had always seen her as a kind of aunt figure, but lately I'd started to realise what an attractive woman she was in her own right, although she must have been at least 20 years older than me.

Seeing her lounge around the house in the mornings, dressed in just a flimsy, silky negligee, and with her long chestnut hair loose, made me feel really randy — in fact every time she walked into the room my cock stood to attention!

One morning after she'd gone to work I was feeling especially rampant, and I decided to look in Mary's bedroom and see what kind of lingerie she wore. I had already imagined her wearing amazing underwear, because she was such a sexy woman, but the reality was better than my fantasies! What made me even more excited was the discovery of several books about bonking hidden under her clothes.

By this time my cock was really throbbing, and I just couldn't resist slipping on a silky black camisole which I thought Mary would look particularly shaggable in. I also put on a pair of her black stockings and started to rub my hands up and down my legs, pretending it was her fantastic thighs I was touching.

As I walked round the bed to admire myself in the mirror I spotted a pile of her dirty underwear on the floor, and I started to play with my straining cock as I sniffed the still-damp crotch of her skimpy black knickers. Before long I came explosively, shooting my come all over Mary's stockings.

Little did I realise my terrific toss would soon lead to something even better!

The next day was Mary's day off, and when her husband went to work we were alone in the house together. She made me some coffee, and I sat talking to her for a while, trying to catch a glimpse of her knickers without making it obvious that I was looking up her tight red skirt. She soon noticed what I was doing, and, hitching up her skirt so I could see her stocking tops, she asked me, "How would you like to toss yourself off over the real thing instead of just my underwear?"

I was so surprised I nearly dropped my coffee cup, but the saucy smile on her beautiful lips made my cock go rigid at once.

Taking my trembling hand, she placed it on the inside of her thigh, then told me to get down and lick her. I ran my tongue all the way along her stockinged legs and up her thigh to her creamy cunt. I lapped at her through the fabric of her lacy knickers, which were already soaked with her juice, then pulled them down and explored her clit with my tongue.

The strong taste and the feel of her firm legs was too much for me, and when she reached down to my flies and pulled out my rock-hard knob I came all over her hand. She licked it off with a grin, then stripped down to her stockings and red basque.

"First my stockings, and now my hand! I can see I'm going to have to teach you the right place to put your spunk," she laughed. Then she pushed me down onto the floor and, kneeling down

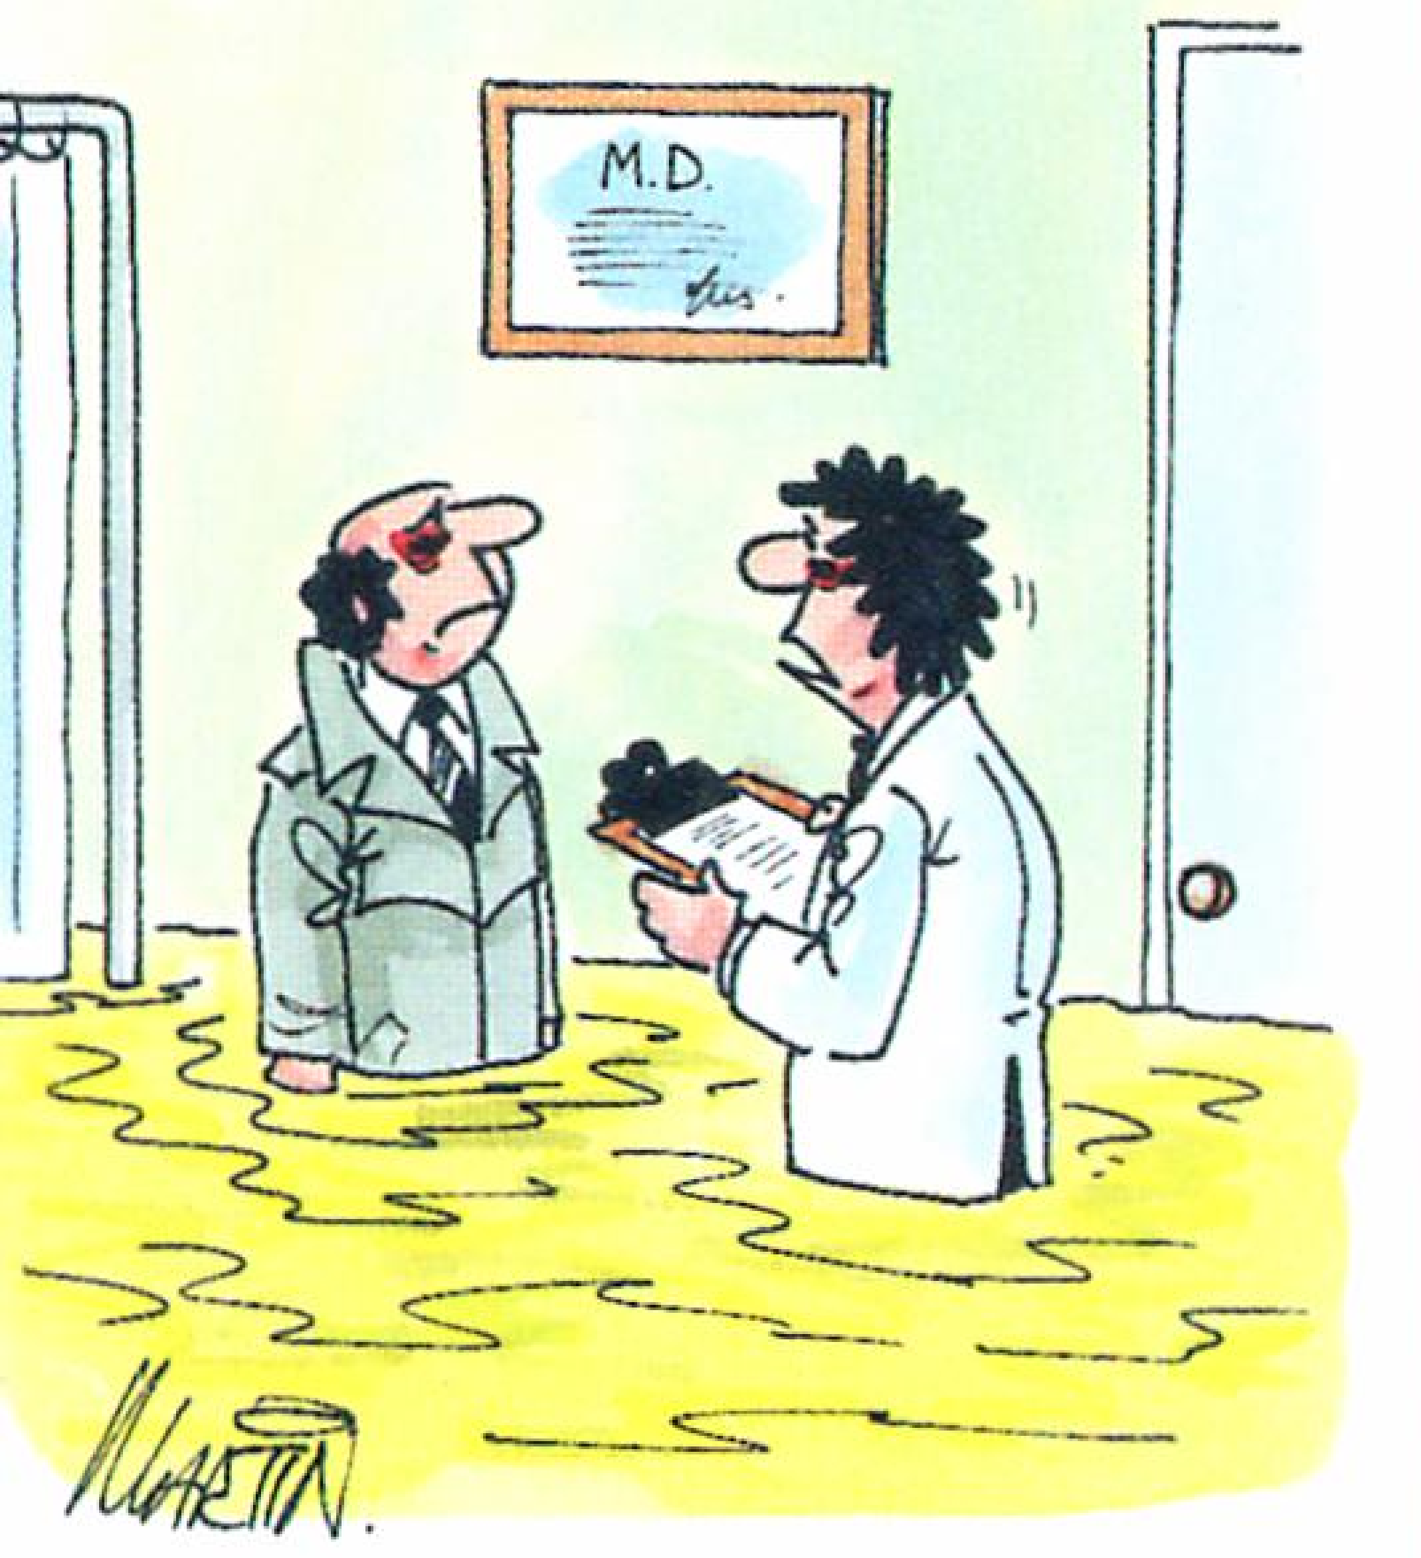
Dear Shelley,
When I saw you on the cover of Club Vol 19 No 10, I bought it straight away! But you can imagine my disappointment when I found out that you weren't inside! Aaargh, a whole month passed by and when Vol 19 No 11 came out I rushed out to buy it the very day it hit the newstands! And it was well worth the month long wait to see the spread of you inside. You are absolutely gorgeous! *– Dan, Cheshire*

Thankyou, Dan. I'm so glad you like my trim body but it doesn't come easy, I can tell you! Every time I walk past a sweet shop I want to rush in and buy a tube of Smarties because they're my absolute favourite! But at the last minute I stop and tell myself that I must go without or my smooth, taut skin wouldn't be smooth and taut for much longer! – **Shelley**♣

beside me, started to suck my rapidly stiffening cock. I raised my hips and thrust into her wet mouth, the sensation of her tongue flicking at my pulsating knob end driving me crazy. Suddenly she straddled me, sinking right down on my swollen shaft, and started grinding against me. As she slid up and down on my pole, her sopping pussy dripped all over me and she started to moan as she moved faster and faster.

I sucked her hard nipples and stroked her legs until she came, screaming and gasping with pleasure. The sight of her writhing about made me shoot my load deep inside her pussy. I thought I'd died and gone to heaven!

"Not bad for a beginner!" said Mary, licking the last few drops of spunk off my prick. "A few more lessons like that and you'll be a world-class fuck!"



Frankly, Mr Harrison, that's the worst case of incontinence I've ever seen!

After that we spent every moment we were alone together working on my sex education, reading Mary's raunchy books together and trying out all the things I'd always longed to do. By the time my parents came back off holiday I was walking round with a permanent smile on my face. I'll never forget Mary, who gave me my first taste of pussy, and left me with a definite preference for older women! — *John, London*

Knicker Delight

My husband is a real bum-and-knickers man, and the sight of so many gorgeous, tight asses in Club works wonders for him! The first time we met he spent hours fondling my bottom, and stroking my panties, while I

You can see 21-year-old Bea is a nature lover... she's just doing what comes naturally!

"There's nothing I like better than to find some secluded spot in the countryside, peel off my clothes and let my naked body soak up the sun," giggled bea-utiful Bea. "And if some sexy guy, or girl, sees me and decides to join in, that just adds to the fun!

"I love to roll about in the grass or hay, feeling the warm air on my pussy. It gets me so turned on! But shhh! Everyone else thinks it was Martians who made those corn circles last summer!" ♣

GOBBLE!

*Here it is, Merry Christmas, everybody's having fun... Well, everyone except **Nathaniel Fatbastard** who'd rather slide naked down a razor blade than part with his hard-earned dosh to go Christmas shopping...*

"Piss on earth and old willies to all mankind!" That's what I say. It's not that I dislike Christmas, I'm as jolly as the next man (did I ever tell you my neighbour is Herman Goering?) I just hate shopping. It's bad enough when all you have to contend with is the amorphous blob on the 'Eight brain-cells or less' check-out, but right now the shops are more brat-packed than a blockbuster movie. So this year I decided to get it all over with at once, with a day in town.

If you thought the shopping capital of Britain was the Crimewatch studio then you should see Oxford Street at Xmas. Every window is brilliantly lit up. Even the homeless people in the doorways are decorated with tinsel and fairy lamps. Then there are the illuminations themselves. This year the theme is choirboys and Tory ministers, with dangling balls flashing red, pink and purple. The display was switched on by that mouthy munchkin from Oz, Hylie Invogue. They really wanted aging soap star, Joan Ballings, but she refused, saying what was the point of turning on the whole of Oxford Street and Regent Street, if they didn't come back to her place after.

To make my shopping spree as pleasant as possible, I started with breakfast at the Spilton Hotel opposite Hyde Park. Here one can enjoy eggs, bacon, sausage, tomato, fried bread, mushrooms, tea, toast and superb arselicking servility for under a tenner. You also get a fine view of the park, especially the stuck-up riders of Rotten Row freezing their jodhpurs off whilst their thoroughbred stallions have a steaming dump. After dropping an equally large load myself in the palatial porcelain paradise of the Spilton's crapperie, I made my merry way to Regent Street.

I started at Famleys toy shop. With my nauseating nephew and niece, Tiberius and Messolina, in mind, I made straight for the model railways. It's good to know that even today, Corney Dubblo train sets are still being sold (albeit now owned by the Bitsoshitti Plastic Co of Tokyo). In fact, I was surprised how realistic and modern they were. For instance, there was a *Network Southeast Set* (£99.99) complete with faulty rolling stock, frozen points and leaves on the track; an *Inter City 125 Set* for £105, unless you buy it on a Thursday after ten and guarantee to play with it within three days (not after four) when it's £39; and a *Golden Age of Steam Set* (100 guineas) containing one Britannia Class 2-6-2 express and coaches in LMS livery, one 0-2-0 GWR Saddle tank and trucks, a closed down country station and no track because the line had been axed by Lord Beeching.

COCKNEY PRIDE
FINE LONDON ALES
MADE IN TAIWAN

I plumped instead for a *Nigel Mansell Fallextric Set* (£69.99) with realistic Ferrari breakdown five laps from the end, and *Knackeroo*, a game where you pile more and more onto a model donkey until its legs give way and it dies of a heart attack. Stopping briefly for a *Famleys Megajumbo Strawberry Soda* shake (£2.50), the only drink you can get in that place, I crunched my way over broken dolls and robots to the exit. What do they do with all the smashed ones, I wondered? I soon found out. Outside, a fly pitcher was doing fine business selling limbless model amphibians as *Teenage Mutant Injured Turtles* (£29 inside but to you, luv, a tenner).

Next I stopped off at Pooves the Chemist for some scent for the Club editorial team. Usually I just get a litre bottle of *Old Shite* or *Brute 69* between them to mask the smell of being couped up in a steamy office all day, but then I saw a new product from Max Fuctor. Their *Close Thing* after shit lotion (£7.99 for 1Oml) is a 'refreshingly tangy aromatic foaming buttock rub to keep your backdoor smelling sweet however late you leave it'. What a great idea. More than I can say for calling a fragrance *Denim*. Anyone who has smelt the gusset of my Levis after a couple of weeks wear will know exactly what I mean.

Moving towards Piccadilly Circus, I got my first shock. The shop I wanted had disappeared.

"Excuse me," I asked a timid-looking lad. "Where's Swan 'n' Edgar gone?"

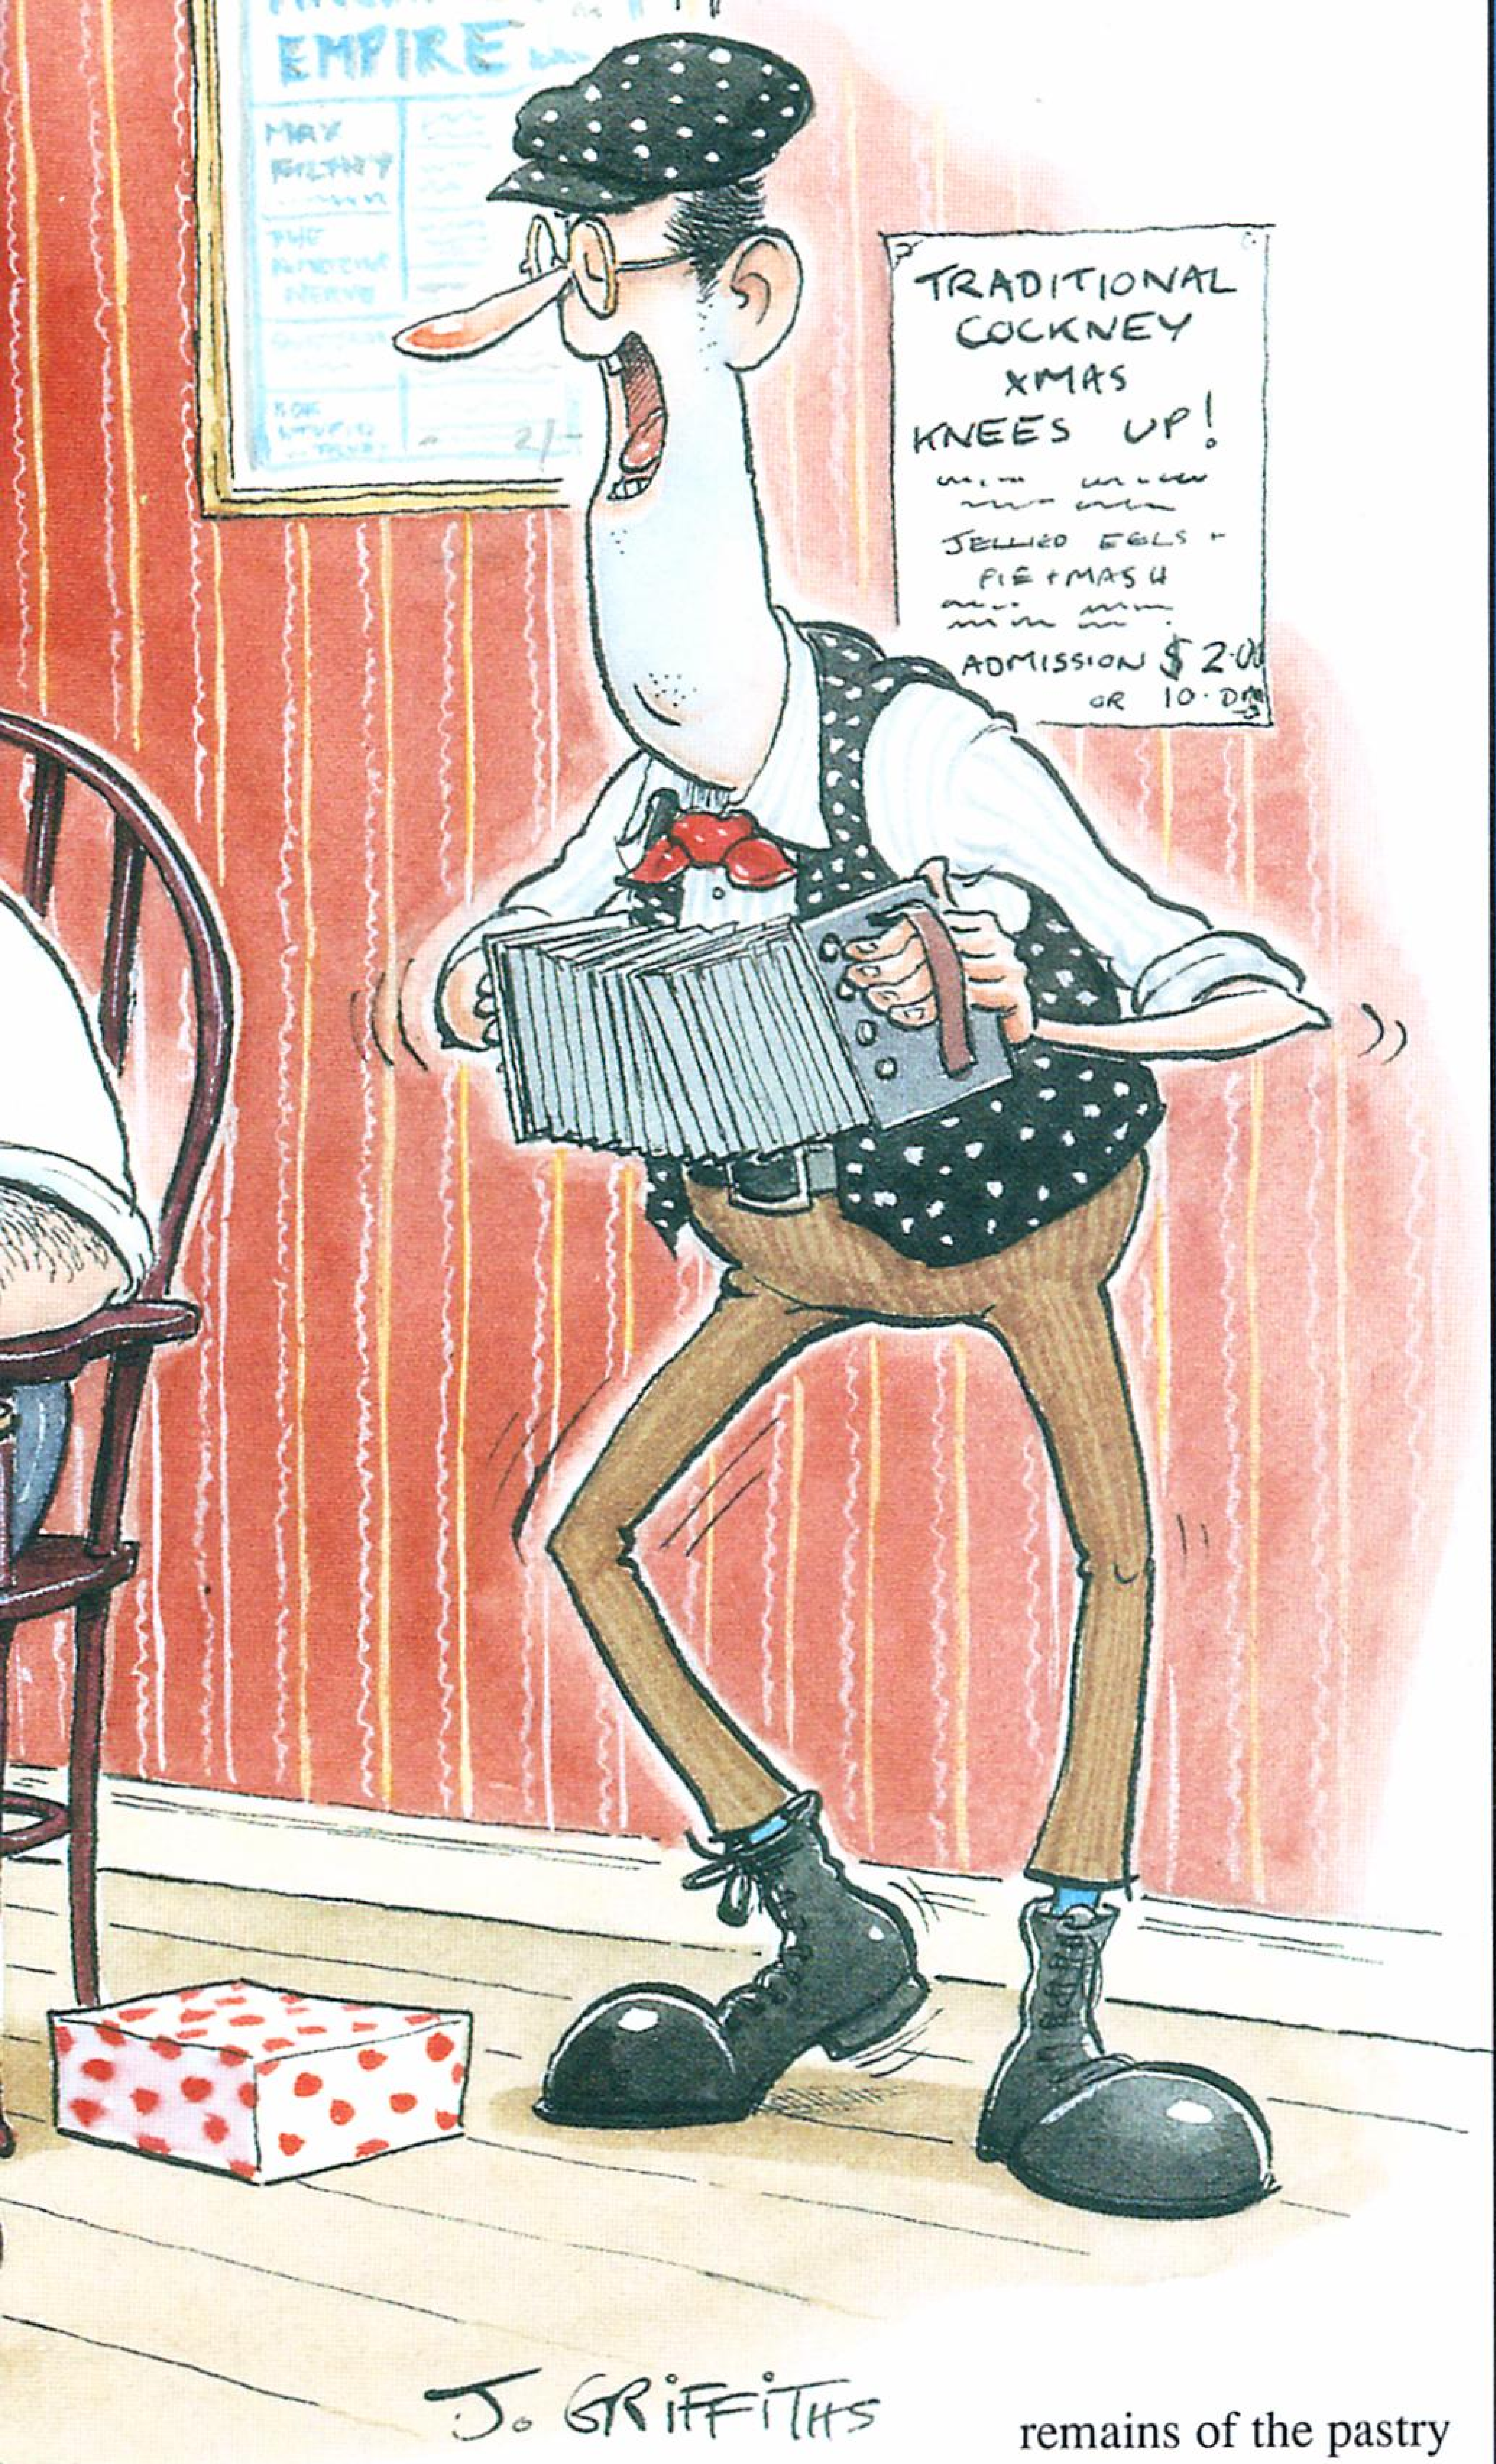
"Ooooh, Edgar's swanned off, but you can have me for fifty quid," he trilled. I departed hurriedly and soon discovered it had been replaced by Slower Records (incorporating the HIV Shop and the Virgin-on-the-Ridiculous Store). Still, it was quite handy. Messi Fatbastard had asked for two CDs by the Crappy Mondays and Stoned Poseurs (£12.99 each or £19.99 on the door), so I hastily picked those up for her instead.

By now, I needed a drink,

NUTTER'S CORNER

If your chips have flipped, your rams are wrecked and your VDU gives you GBH, fear not: computers are now officially cuddly, thanks to the cheery Californian trio of Bobby Oh, Ron Becker and Gary Kim. The wacky (sic) Yanks have marketed these cheeky 'computer critters' to convert your terminal into a dragon, a bulldog or a fluffy pink bunny.

So now if you want to throw the fucking thing out of the window, you've got the perfect excuse. ♣



so I stopped for a couple in the only pub around. *The Cockney Geyser Rub-a-dub* (10, Tourist Haunt, W1) was full of Dick van Dyke heads with mock Cockney accents and pearly waistcoats. I asked for a pint of bitter.

"Righty ho, guv, me old china, one pint of the *Olde London Wallope* from down the apples in me old trouble's cellar. Blimey, lord luv-a-duck, that'll be £1.99 to you in coins of the realm. Thank yeeewww, squire."

I sat down miserably in a corner, to be approached by a chirpy Cockney playing the accordian and singing.

"Oh-wer, Oi'm gettin' married in the morning..."

"Good," I replied. "Now fuck off."

No wonder music hall died. It was crap. Six pints and two porky pies with *Englishe Mustarde* (£2. 99) later, I headed for the big department stores, Selfish's and Libertines.

Unfortunately it started to rain, so I popped into Acridscrotum menswear for a pakamac. It turned out their cheapest was £199. When I spluttered the half-digested remains of the pastry over his lapels, the assistant said it *was Burberry*. I told him I didn't care what fucking colour it was, and took a cab to Harab's instead.

By the time I got to Knightsbridge, I was knackered, so I headed straight for the furniture department for a sit down. I opted for a handsewn red leather *Chesterfield* three-seater sofa (£2, 949. 99) and collapsed. I must have dozed off, 'cos I woke up surrounded by snotty staff and two Americans.

"Hey, that settee is just what we need for the garage," whined a Miami voice. "And I just adore the multi-coloured embroidered headrest that your dummy is using."

I was going to complain at being disturbed but I recognised the embroidery as the dried remains of honked-up breakfast, milk-shake and pork pie. So instead I stood up, straightened my Old Arsolian tie, and said disdainfully, "You have it. I don't like it... it makes farting noises every time you move." The Yanks were obviously impressed.♣

TOP TITS

Hey, it's Christmas, so deck those boobs with balls and holly. Sounds painful? Don't worry, chances are it isn't the first time she's had a prick on her tits, and she's an expert with balls. Yes, you guessed it, I'm feeling festive. My yule log is all aglow. Tis the season to be horny, tra-la-la-la-lah, la-lah-lah-lah.

I love this time of year. The whole Breast family gets together to sing songs like *When Shepherds Watched Her Knockers by Night.* Grandad sits with the kids reading them *Rudolf and the Red-Nipped Brassiere.* Then we all gather round the hearth and warm our hands on an open bra.

We know we're not supposed to look at our gifts until the day itself, but we just can't wait. My cousin reaches down and opens her box, and we all look on. Then Grandad gets out his little cracker, and insists somebody pulls it, and Dad sits on the phone trying to get hold of a pair of Breasts who moved up north last year (and I don't mean our Mum's).

Personally I dream of what Santa's going to leave at the end of my bed on the Big Day. I'm hoping it's the pair pictured here. Imagine starting the day by slipping your pecker up between those smooth slopes. Then she squeezes them together so they caress your cock, and within seconds you shoot your load all over her neck. Now that's a real gift for the guy who has everything. So let's hear it, tit fans – "Oh come, all ye faithful..." – *George Breast.* ♣

jane

Photographs by Jack Harrison

Back by popular demand is Club girl Jane, who's been on cloud nine since she appeared in our November issue.

"I can't believe all the letters I've had since I modelled for Club," laughed Jane. "And most of them were really naughty as well!

"I've kept all the

letters, and I'm reading every horny word of 'em! It gets me really juiced up just thinking about them, and you know what happens when I feel like that, don't you fellas? In fact, I've got my fingers in my pussy right now, aaah... Now you guys know why I've got such a big smile on my face in these pictures!" ♣

sportextreme

Last month Club almost exclusively featured the 80 nutters who are taking part in the first "Decathlon of the Extreme" *(Extremely stupid, if you ask me — Ed)*. These madmen have to complete ten decidedly deadly sports such as freefall parachuting, rock climbing and ski-ing down rocks and grass. This month we look at part two where the survivors are thrown down wild rivers on flimsy rafts, flung through the air on fragile microlight aircraft, forced to jet-ski over rapids and leap around on motorcycles like Steve McQueen in *The Great Escape*. *(We couldn't go a whole Christmas issue without mentioning* The Great Escape *— Ed)*.

The sport was invented by two Frenchmen, Marc Ollier and Frederic Karcher, as a very effective way of killing off other sporty bastards who picked up more women than they did. Unfortunately for them, everyone survived — though they were all far too knackered to think about shagging.

So if you thought Daley Thompson was hard for jumping over a few weedy little hurdles in the comfort of Crystal Palace, then take a look at these macho maniacs. The only consolation is that deep-down they're big green softies. Next year, jet ski-ing and the stone-and-turf downhill skiing are being abandoned, not because it's too dangerous, but because they damage the environment. Tut! What wimps, eh? ♣

own special discipline, so I nearly creamed myself with delight when Paul from Doncaster wrote to me:

"I've always been turned on by women in uniform, Ginny, and the idea of Club's sexiest girl dressed as a raunchy Stateside cop like the girls you see in the movies, makes my cock throb like crazy! I can just imagine you dressed in that figure-hugging uniform, detaining me and taking me back to the station for a bit of intimate questioning!

As you lean over the desk I catch a glimpse of your stocking tops against your gorgeous tanned thighs, and I can't conceal the bulge in my jeans.

To my surprise, you peel off your uniform to reveal your pert tits, and then you let me pull down your silky knickers to reveal your tempting little pussy. Before long I whip my truncheon out for your inspection..."

Well Paul, I think you'll find me a pretty arresting sight! Believe me, the law isn't the only thing I'd be upholding when I'd finished with you! And thinking about what might happen next made me so horny that my little pussy was soon crying out for some special investigation all of its own! I hope you get as excited looking at these pictures as I did posing for them...

Keep those peckers to attention till next month, guys — and don't forget to polish your helmets ready for inspection! ♣

letters to Ginny

Dear Ginny,

The first time you appeared in Club I fell for your gorgeous body. I can't look at you without getting a hard-on that just won't go away! I can hardly wait to see how you'll be teasing us in Club each month, although I know you'll get me off however you pose. But I also hope you'll be telling us what gets you horny and sharing your dirtiest thoughts with all your admirers. It's such a turn-on to hear what a girl like you feels when you read the letters from us... and even better to find out how you like to fuck, and what gets your pretty pussy wet.

I'm sure you must love fingering yourself, so please tell us all about it. I'm getting hot at the thought of your lovely delicate fingers toying with your creamy pussy! Don't be shy about what you say... you certainly don't look shy in your photos! – *Eric, Cheshire*

Well, Eric, I assure you my nimble little fingers are often put to good use, especially when I'm reading letters like this. I can just imagine what you were doing while you were writing it! In fact, the thought of you stroking your pulsing cock with one hand while you ply your naughty pen with the other gets me so juiced up my tingling pussy is demanding some instant attention! Believe me, I'm not shy at all when it comes to keeping my pussy purring... especially when I think of all you Club readers watching me!

Dear Ginny,

The photoset in Vol 19 No 10 was fantastic, and I can sympathise with you not being able to go out on your bike in the winter, but as a compromise might I suggest a ride on a horse? My fantasy is for you to come to the stables with me, and I'd certainly enjoy helping you squeeze your cute body into tight jodhpurs and riding boots. Then I put a hand on your pert little bottom to help you up onto your mount.

We ride down the lane for a while, until the swaying of the horse beneath you and the rubbing of the saddle between your legs becomes too much for you, and you dismount. The damp patch on your snug jodhpurs lets me know how hot and wet you are, and as you peel them off I offer you the ride of your life! – *Jack, County Down*

Ooh, riding lessons have never sounded so much fun, Jack! You sound like the kind of horny stud I need to break me in, and I'm sure I'd soon be spending hours in the saddle! I love the feel of tight, stretchy clothes against my skin, and thinking about the friction between my thighs as those clinging jodhpurs bump against the saddle sent me rushing out to buy a pair... now I can't wait to give them a test-ride!

Dear Ginny,

I used to tease my husband about reading Club, but lately I've started looking at it too, due to your gorgeous body. I wonder what you think about while you're posing, knowing that your picture will give so many men a bulge in their pants.

I love to lie on a beach in just a tiny black thong, massaging sun cream into my tits and knowing that I have the attention of every man on the beach. I'm sure you must feel the same way, particularly since you have such beautiful pert boobs, and that lovely round bum!

Another thing I really enjoy is rubbing my skin with smooth silk scarves, and imagining I'm posing in Club like you while I slide the scarves back and forth over my pussy lips. So, Ginny, seeing you wrapped in sexy, transparent silks would really make my day! – *Jean, Solihull*

You're absolutely right, Jean, I adore being the centre of attention... especially the kind of attention I get from my Club readers! When I pose I like to think about all the horny guys and girls who will soon be gazing at my naked body. Things usually get pretty wet and steamy! After a good session I really need a cold shower to cool me down, so it sounds like you and me have got a lot in common!

Dear Ginny,

I just had to tell you how much I enjoy your photoset each month, you always look absolutely fantastic! You've got the most beautiful body I've ever seen, and I'd like to know whether you work out regularly to keep yourself looking so good.

I hope so, as I'd love to see you dressed in a skimpy leotard, flushed and damp after the exercise, your tight little bum and firm tits bouncing up and down as you gave your body a really good work out... then maybe I could towel you down before you strip and shower! - *Craig, Glasgow*

I'm sure you know that sex is the best kind of exercise you can get, Craig, so I usually try to burn off a whole day's calories before I even get out of bed! I do like going to the gym though, as the sight of so many fit, sweaty bodies in one place makes me really horny. My favourite gym is an all-girl one, as I get so wet watching all those bouncy boobs!

Dear Ginny,

You probably can't imagine how happy my dick is that you're Club's regular dream girl... you figure in quite a few of my dreams, too! You manage to look stunning in and out of every outfit you model, and I'd burst more than a blood vessel if my favourite fantasy became reality.

I can imagine you as a dentist's assistant, the crisp white uniform clinging to your lovely curves and exposing a tantalising glimpse of your stocking tops each time you leant over me. If you were my dentist's assistant I'd definitely come regularly!

You'd be a spectacular screw in a dentist's chair, and I'm sure that uniform wouldn't stay white for long! - *Neil, Macclesfield*

I've never enjoyed going to the dentist, Neil, but your letter made me look at it in a whole new light. From now on I'll be imagining the fun I can have with my dentist while he fills my cavity... I can't wait to hear him tell me to 'open wide' and say 'aahh'! There's nothing like a masterful man in uniform to get a girl really excited, and you know what happens when I get excited, don't you! ♣

REAR OF THE YEAR

The Editor writes: Every winter I have to undertake one of the toughest tasks in journalism today: selecting Club's Rear of the Year.

It's not a job that can be hurried. In fact it's taken several weeks of solid work, surrounding myself with every bottom that has pertly poked from our pages during 1990. Many hours of research have taken place in a dark room: each bum had to be tested, cheek by blushing cheek, for tautness, patability and overall star quality.

I know my selection may cause controversy, but I have applied myself to the task with dedication. I am proud to announce that the Club International Rear of the Year belongs to Patsy, our dirty debutante from Vol 19 No 1. Long may her rear reign! ♣

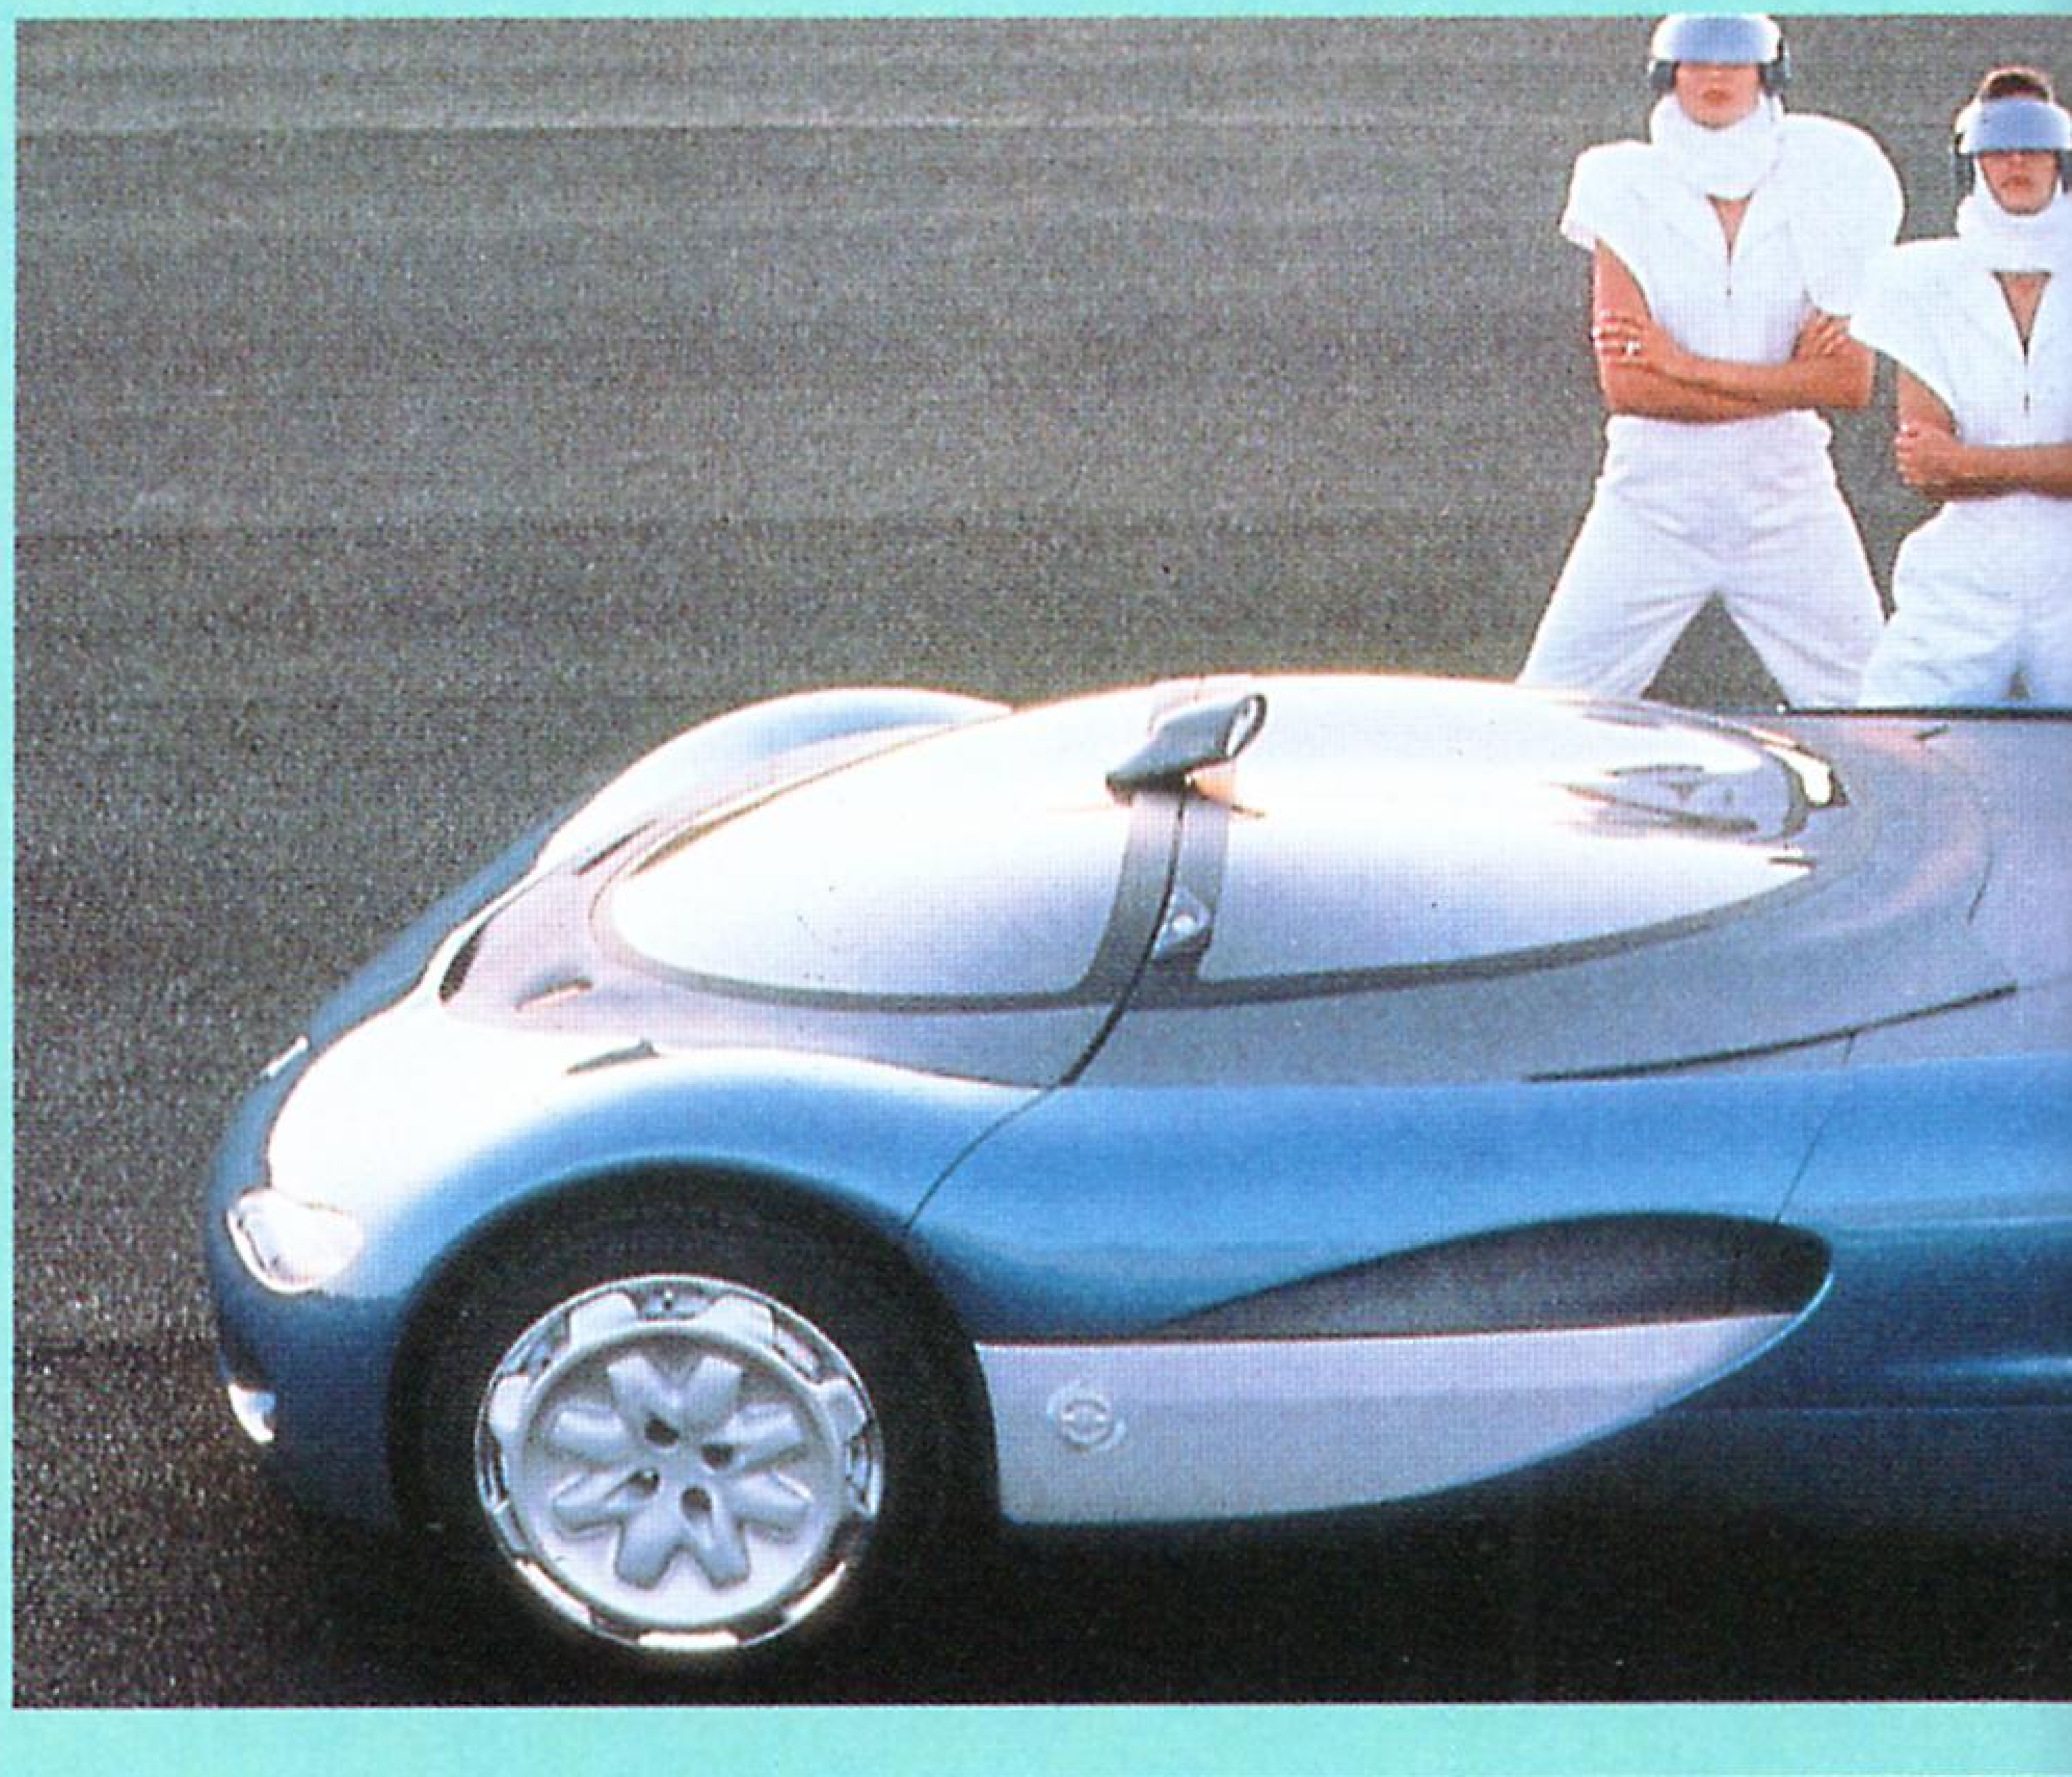
Motoring correspondent ***Horst Pipe*** *on rotten Greens and running shoes. (When's he going to write about cars? - Ed.)*

A recent report in *Which?* magazine, the bible of consumer rights bores, piled into the motor industry for 'selling speed'. No, they weren't accusing the brmm-brmm bosses of being a bunch of drug-dealers: they were complaining that, in their advertising, car companies suggested that their products did subversive things like *go very fast* and *accelerate like shit off a shovel*.

Perhaps I'm behind the times here, but I thought that was what they were bloody well supposed to do. People like fast cars because they're fun, and all those little microbes who died to make the oil did so in a good cause if it brings an idiotic grin to your face when you're cornering at 50 on a ludicrously tight blind bend in a narrow country road.

However, this bunch of half-baked Greens are demanding that, just because they can't afford a flat-12 Ferrari, everyone should walk everywhere. And the industry – or Ford and Renault, at least – have come up with the perfect response. They've produced cars that look like shoes.

Recently unveiled at the NEC, Ford's *Zig* is attributed to the designers at Ghia of Turin, but it is clear that Reebok had a hand (or a foot) in somewhere. Available in just one size (Euro-550, just under 12 feet long) *Zig* is the



THE CLUB GUIDE

Lifelong anti-socialist ***Desmond P. Orridge*** *presents the first excerpt from his guide to the low life,* Ways to Lose Friends and Insult People, *a must for all seasonal drinkers...*

After many happy years of hating everybody, I reckon one of the best ways to really piss them off is by squirting your stomach's contents over their suit. It looks easy, but a well-timed food fountain is a work of art. The rewards are enormous. Imagine the joy of bowking over your bank manager when he asks you to repay your overdraft or recycling your supper in the face of a French tourist. All this can be yours...

A Vomiter's Vocabulary

Before we start putting a pile on the tiles, here are some phrases you should know . Repeat them till they trip off the tongue easier than ten pints of regurgitated Guinness:

Be sick, bring up your breakfast, come up, chunder, chuck, dump your dinner, gag, hurl, honk, hoy-up,

biggest Reebok so far: it's also the fastest, managing upwards of a ton – and that's without one of Ben Johnson's famous diet supplements. It's white sister machine, *Zag*, is a wet-weather version or galosh – more odour-eater than road-eater.

Renault's offering is still more curious, if only because underway it looks just like a running shoe which is running backwards. Called *Laguna*, it is a slip-on design for two which is capable of more than 155 mph: the mid-mounted 210bhp power unit is, of course, toebocharged.

This one's also the wise choice for the man who likes to have his hi-fi in his helmet. Renault's unique Cruising Stereo gives both driver and passenger an audio-visor which protects both the eyes and ears when driving at high speed, whilst at the same time picking up signals from the dash-mounted Phillips radio transmitter. Only trouble is, in areas of high cellnet activity you're likely to lose control of your arms and legs should you pick up any stray transmissions.

Two female aliens are included free with each model. You can have them in any colour you like so long as it's not green.♣

O ANTI-SOCIAL BEHAVIOUR

hughey, liquid laugh, park a tiger, puke, pavement pizza, provide a packed lunch, razz, rargg, recycle your supper, return a take-away, squirt your shirt, warm up a meal, wretch, yetch, technicolour yawn, technicolour yodel.

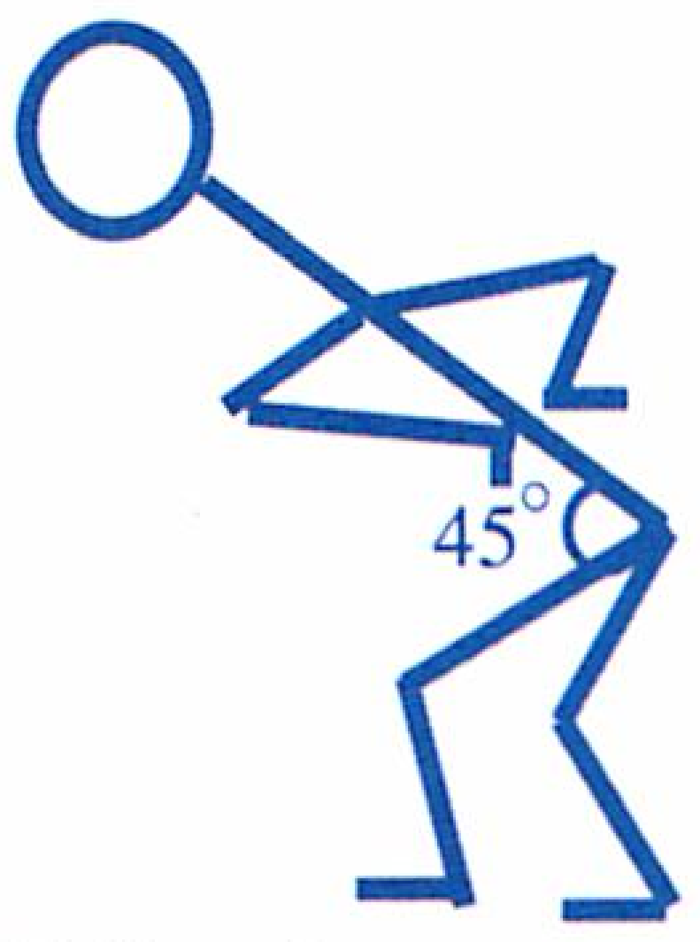
Less Common Phrases
"Next on BBC 1, a second chance to see... " *Phil Badly, BBC TV announcer after a canteen prawn and mayonnaise sandwich.*
"And now the result of my dinner — as usual, in reverse order..." *Eric V Poorly of Nucca Entertainments.*

The Good Bleeuggh Guide
Desmond P. Orridge's fave five heaves.
1) Lager — returns painlessly in rewarding quantities. Can reach several feet with practice.
2) Ribena — a pleasing purple colour and fruity taste make this a true aesthete's pile.
3) Chinese food — bland enough to not hurt, but sufficiently bulky to be satisfying.
4) Beef stew and dumplings — an interesting mix of textures.
5) Market-stall seafood — guaranteed to empty your in-tray in seconds.

Some Non-Returnables
1) Cheap whisky or brandy — like trying to bring up a hyperactive hedgehog.
2) Curry or Mexican food — even hotter coming up than going down.
3) Crisps — aaaghhh, those sharp edges!

How to Start
Eat or drink any or all of the above, then try to say anything beginning with H.

The Puking Position
Stand with your hands on hips and lean forward at a minimum 45 degrees to avoid splattering the shoes or dribbling down your shirt.



If lying on the floor, turn over onto stomach before letting loose or heavier lumps will get in ears. If on the cross Channel ferry, check wind direction before hurling or else you could get it right back in the face. Likewise only throw up out of train windows with your back to the engine.
To keep the body in shape for frequently heaving, regular exercise is essential. I recommend *Jane Chunda's Bowk Out* video (£9.99). Follow her 'wretchercise' programme until you feel the burn (see Curry).♣

tugged at his hard cock. He begged me to let him spurt over my knickers and I let him, because I really love the feel of hot come soaking through to my skin.

I've got hundreds of pairs of panties, some silk or satin, and some shiny black latex. Tom and I often watch sexy videos together, him naked and me wearing a pair of knickers he has chosen. I play with his prick and balls, licking them and rubbing them with my nipples, while he fingers my cunt and rubs my bum through the panties.

When his cock is really firm, I let him take off the knickers and wrap them around his tool; then I kneel on all fours in front of him and he rubs them against my thigh. He fingers my wet slit with one hand and tosses with the other, until he shoots his come all over my sexy bum cheeks and legs. Then he rubs all his sticky jism into my pussy hole, and frigs me until I come too.

He licks me clean, and wipes me dry with the knickers, which I then put back on.

When I wear shiny latex knickers for our sex games, Tom often spunks straight onto them, smearing the juice all over me until my skin glistens with it. He also likes to watch me slip my hand into my knickers and finger myself till I come, while I kneel over his face so he can stroke my bum-hugging knicks at the same time.

Once I orgasm, he peels off my panties and licks out my cream, rubbing himself with the wet panties until we both come again.

I find Tom's knicker fetish so arousing, and I know I look really horny with my arse and pussy encased in spunk-soaked silk. In fact, I would love to see other women dressed this way...

MAD COWS KICK ARSE!

A raving ruminant exclusive by ***Bit O'de Udder****. Give that man a pat on the head...*

A crack batallion of mad cows has just been despatched to the Gulf as Britain's latest contribution to the multinational force. Shown here during training in their chemical warfare suits, the bovine ballistics will sneak up to enemy positions under cover of darkness, and as the sun rises will sing the Anchor Butter commercial to them. Announcing the shock move, Defence Minister Vernon Warlike said, "Why do you invent crap like this?" ♣

'WoooaaaaaaAAAAHH! YOU'RESHIT!'

Fun time, footie fans! The latest annual from those eccentric, mischievous, wacky, etc etc etc chaps at When Saturday Comes has hit the streets. It's called *Bookable Offence*, and it costs £5.95, but we got one free.

It's produced by the same eccentric etc etc etc team who do the monthly soccer fanzine, but they've all written new bits for it, which is very nice of them when you think they might have just put in the old ones.

A lot of it's quite good as well. The diagram in 'Let's talk tactics with Richard III' is a bit confusing, but Ernest Hemingway confessing his abiding affection for Wolverhampton Wanderers is both moving and untrue.

There are some crap bits too, but overall it's pretty good and more fun than watching Leeds v Wimbledon on a rainy night in January.

To make this even more fascinating, a mystery writer works for both Club and WSC. Can you guess who? Nathaniel Fatbastard maybe, or could it be Vinny Sprocket? The first reader to write in identifying the guilty man will receive our copy of *Bookable Offence* when we've finished with it. ♣

On the Club Celebrity Couch with...

Comedian Stan Boardman!

This won't take long, just lie back and relax with Club's resident shrink,* Sigmund Fraud*, while he tells you that you've never left your mother's womb and relieves you of a bloody fortune.

It has been said that there is a particular European race you dislike. Could you tell us which one?
800 metres... No, sorry, it's the Germans.

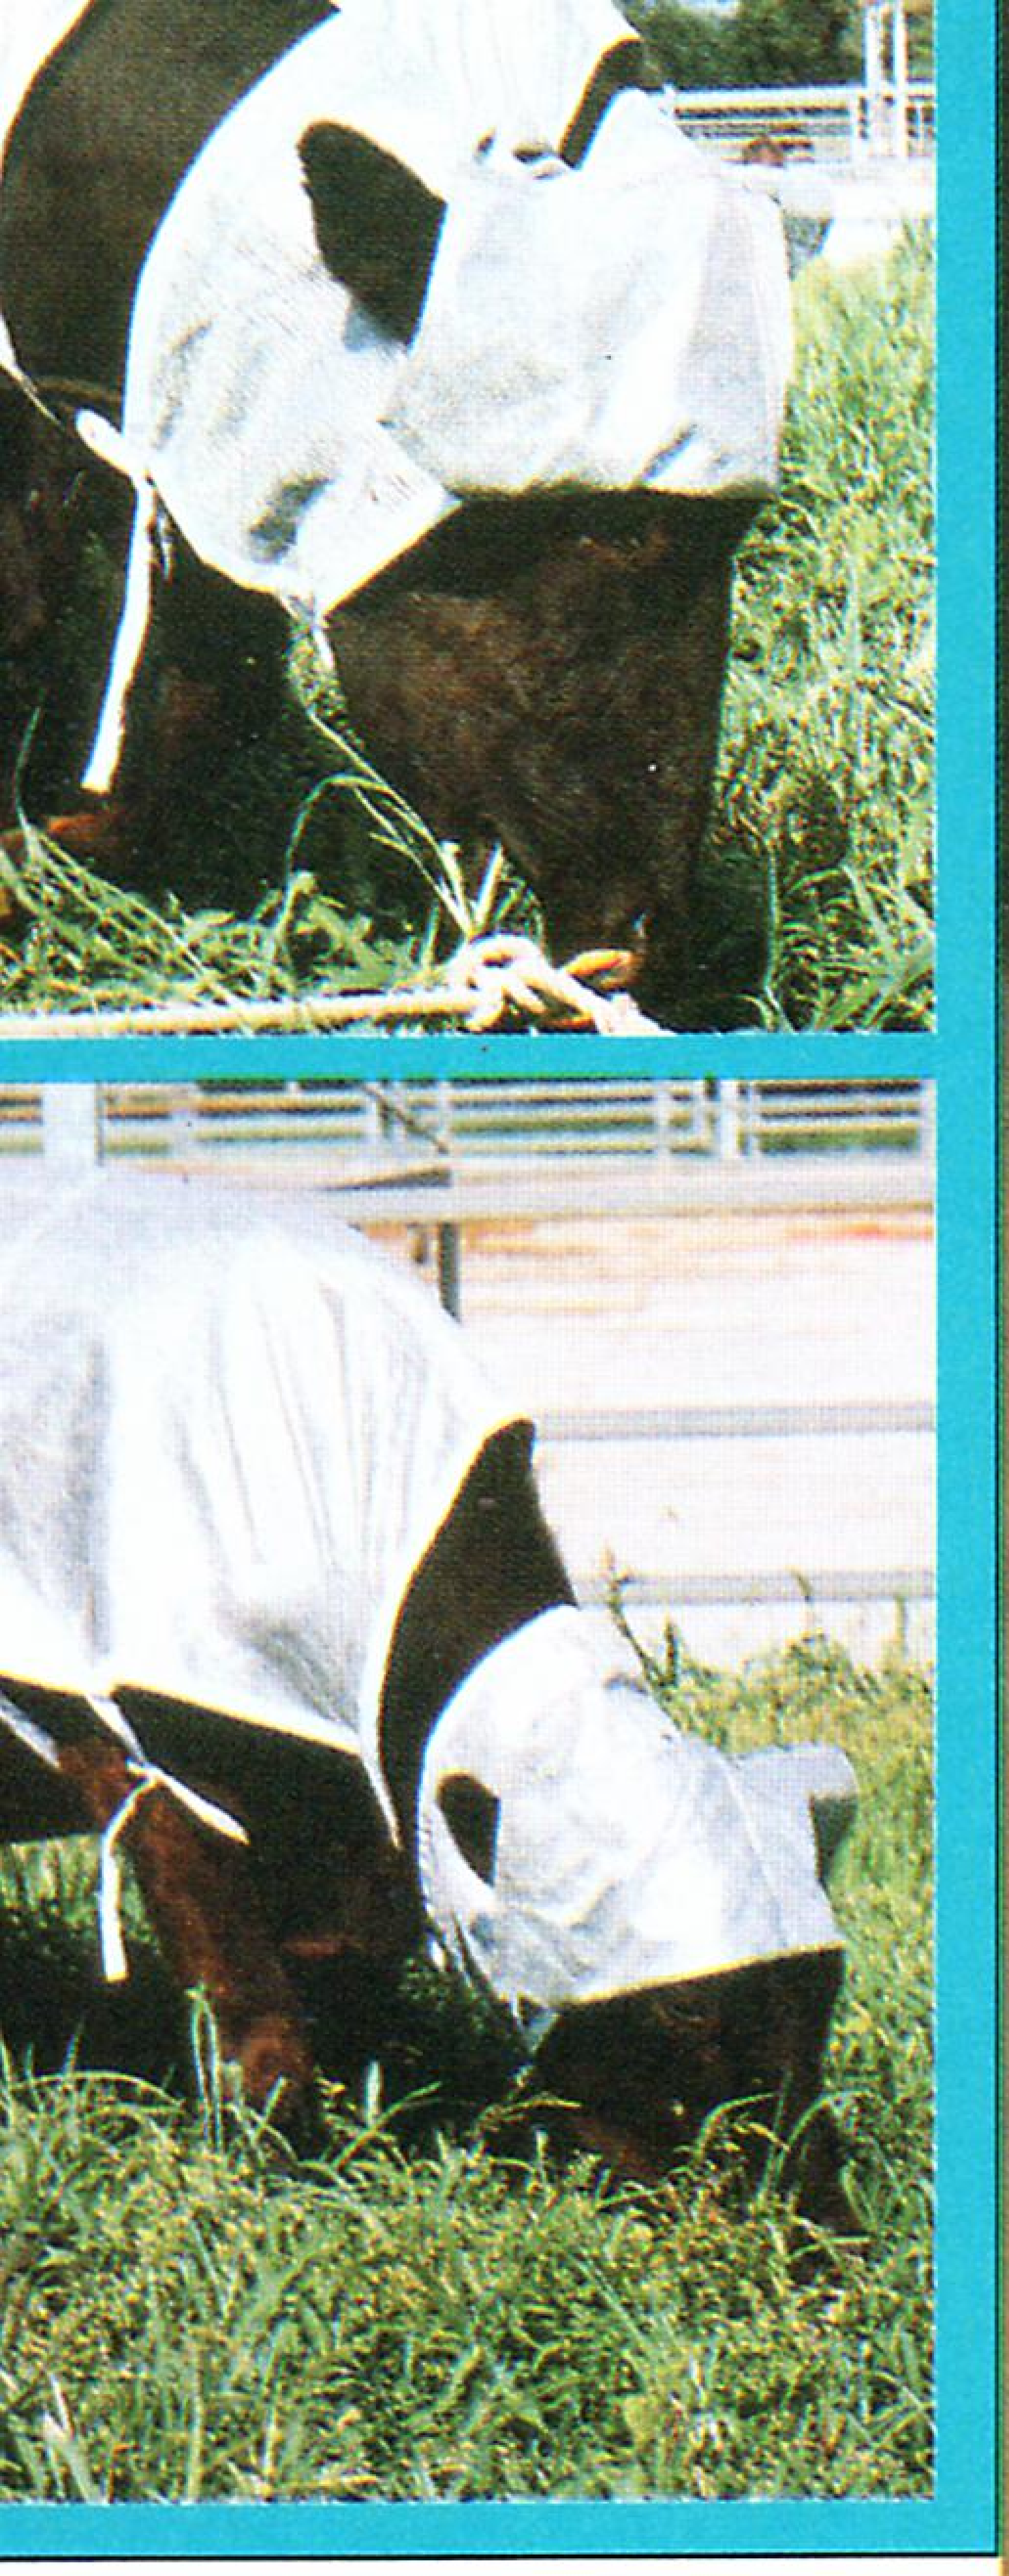
How did this dislike of the Germans begin? Was there any specific incident that stands out in your mind which may have led to these strong feelings?
The second world war. The Germans bombed our chip shop. My dad told my mum he was going to the shops to buy a cabbage... we never saw him again.

That sounds like a traumatic experience. How did you cope with it?
We opened a tin of peas instead.

I understand this happened when you were a child. We psychiatrists often find that characters are formed in the first few years of life. What is the earliest thing you can remember?
The midwife smacking my arse, saying "Don't go in there again".

Would you say you had a happy childhood? Were you, for instance, a wealthy family?
My mum had ten kids... people didn't know if my dad was a catholic or a sloppy protestant. We lived in a detached house; well, it wasn't really detached, it was coming away from the rest of the street.

We used to have windmill cake for tea, if it went round



you got a piece. We were so poor my dad couldn't afford laxatives. He used to sit us on the pot and tell us ghost stories.

At this stage, I would like to run through some word association with you. I will say a word, and then you say the first word that comes into your head. We'll start with... Chip shop – *Germans*. Bomb – *Chip shop*. Germans – *Bomb*. Addis Abbaba – *German baby's football kit*. Cowboy – *Hans up*. Virgin – *Nicentight*. Bra – *Stopemflopin*. Pantomime – *New Brighton, December 23 to January 29 – get yer ticket before the Germans get 'em all!*. Video – *'Stan Boardman live at the Willows', available soon!*

From what I can gather, you were a very poor family. Does this mean that you relied on fast food outlets for your sustenance? If so, what kind did you like?
The chip shop. We had chips and doodleburgers every single night.

And what do you remember about your chip shop?
It had a hole in the roof. Some Fokker bombed it!

Thank you. This has been a very interesting session, Mr Boardman, and I have come to the conclusion that you are a raging nutter just like the rest of us! ♣

Susan's a newcomer to Club, and with looks like hers, we're sure we'll be seeing a lot more of her! "This might be the first time I've done this sort of thing but I really enjoyed this shoot, and I'm sure it shows!" giggled our sensual 20-year-old fashion designer from London. "Just

thinking about being in the magazine had me all hot and tingling between my legs. But I really shouldn't be talking like that, should I? I mean, it's just so... so rude! But I must admit I am a pretty rude girl actually, though only in private. There are some things a girl can only do behind closed doors... and in Club!" ♣

Gutt Of The Stunt

Extra! Extra! Read all about it! Seasoned sports scribbler **Frankie Gutt** gets the boot. Has our hardened hack been given the red card? More importantly, do we give a flying one?

Wotcha me old trout-ticklers. Frankie "The Goat" Gutt here with a yuletide bonanza of balls, birds and big bananas brought to you live in association with the 'Exmoor Stunt' (*The Only Daily Santa Sticks In His Grotto*).

Well, Xmas being a time of good will, I think I'd better tell you the cockle-warming saga of last month's celebrity soccer match here in Piddleham. An event which raised more than just money for charity, if you get my drift.

The first I heard of the forthcoming festivities was when I returned to Stunt HQ from a meeting at the *Cock & Kipper* with a reliable journalistic source, that's to say ten pints of *Old Scrotum's Lumpy Scrumpy*. I was immediately summoned into the Editor's office where I found Max Sackwell in conversation with Councillor Colin Miniroll and his wife.

"Hey up, Frankie lad," says Sackwell, "what d'you reckon to Mr Miniroll's plan to hold a celebrity soccer match to raise money for the restoration of the Town Hall clock?"

"Well, Mr Sackwell," I says, gazing at Mrs Miniroll's mountainous bosums and realising that Old Scrotum's advert 'You'll have no need of rumpy-pumpy when you get your gob round something lumpy' was not entirely accurate, "her ladyship can erect my big clock anytime!"

To add weight to this playful quip I leant over and gave the old buzzard's left bazonker a honking. Then, to demonstrate it was all good clean fun, I dropped down on all-fours, gave a couple of piggy grunts and stuffed my noggin up her skirt. There was a cry of "This is an outwage!" from Mr Miniroll, then everything started spinning and I found myself lying on my back gazing at more stars than Patrick Moore.

When I came to I was propped up at my desk and Max Sackwell was forcing me to sign a letter of apology that said I had been working very hard... pressure of deadlines... great strain... stress of media job... and all the usual pony and trap us journos come up with to explain why we were pissed out of our box again. Fortunately for yours truly, Mrs Miniroll swallowed it. The incident was forgotten and the match between Piddleham Hotspurts All Time Greats XI and the Radio Piddle Celebrity Stars was set for the following Saturday, with Frankie Gutt as master of ceremonies. Excitement mounted during the week when Spurts' supremo Dave Gusset announced that the Spunkfronts' superstar of the 60s, the dirty devil from Dublin, George Beast had agreed to play. Beast was one of the top talents of his time, but alas, booze and birds ruined his career. Readers may remember the tragic tale of the waiter who took a meal up to Beast's hotel room in the 70s. When he opened the door he found Beastie in bed with Miss Cornwall, Devon and Somerset, the floor covered in used condoms, empty champagne bottles and sexy undies. The waiter looked sadly at Beast. "Georgie, Georgie," he said, "where did it all go wrong?"

Beast is no longer the ball-juggling bird-puller he once was. He now weighs 20 stone, has a face like a bearded bowling ball and runs a whelk stall in Budliegh Salterton.

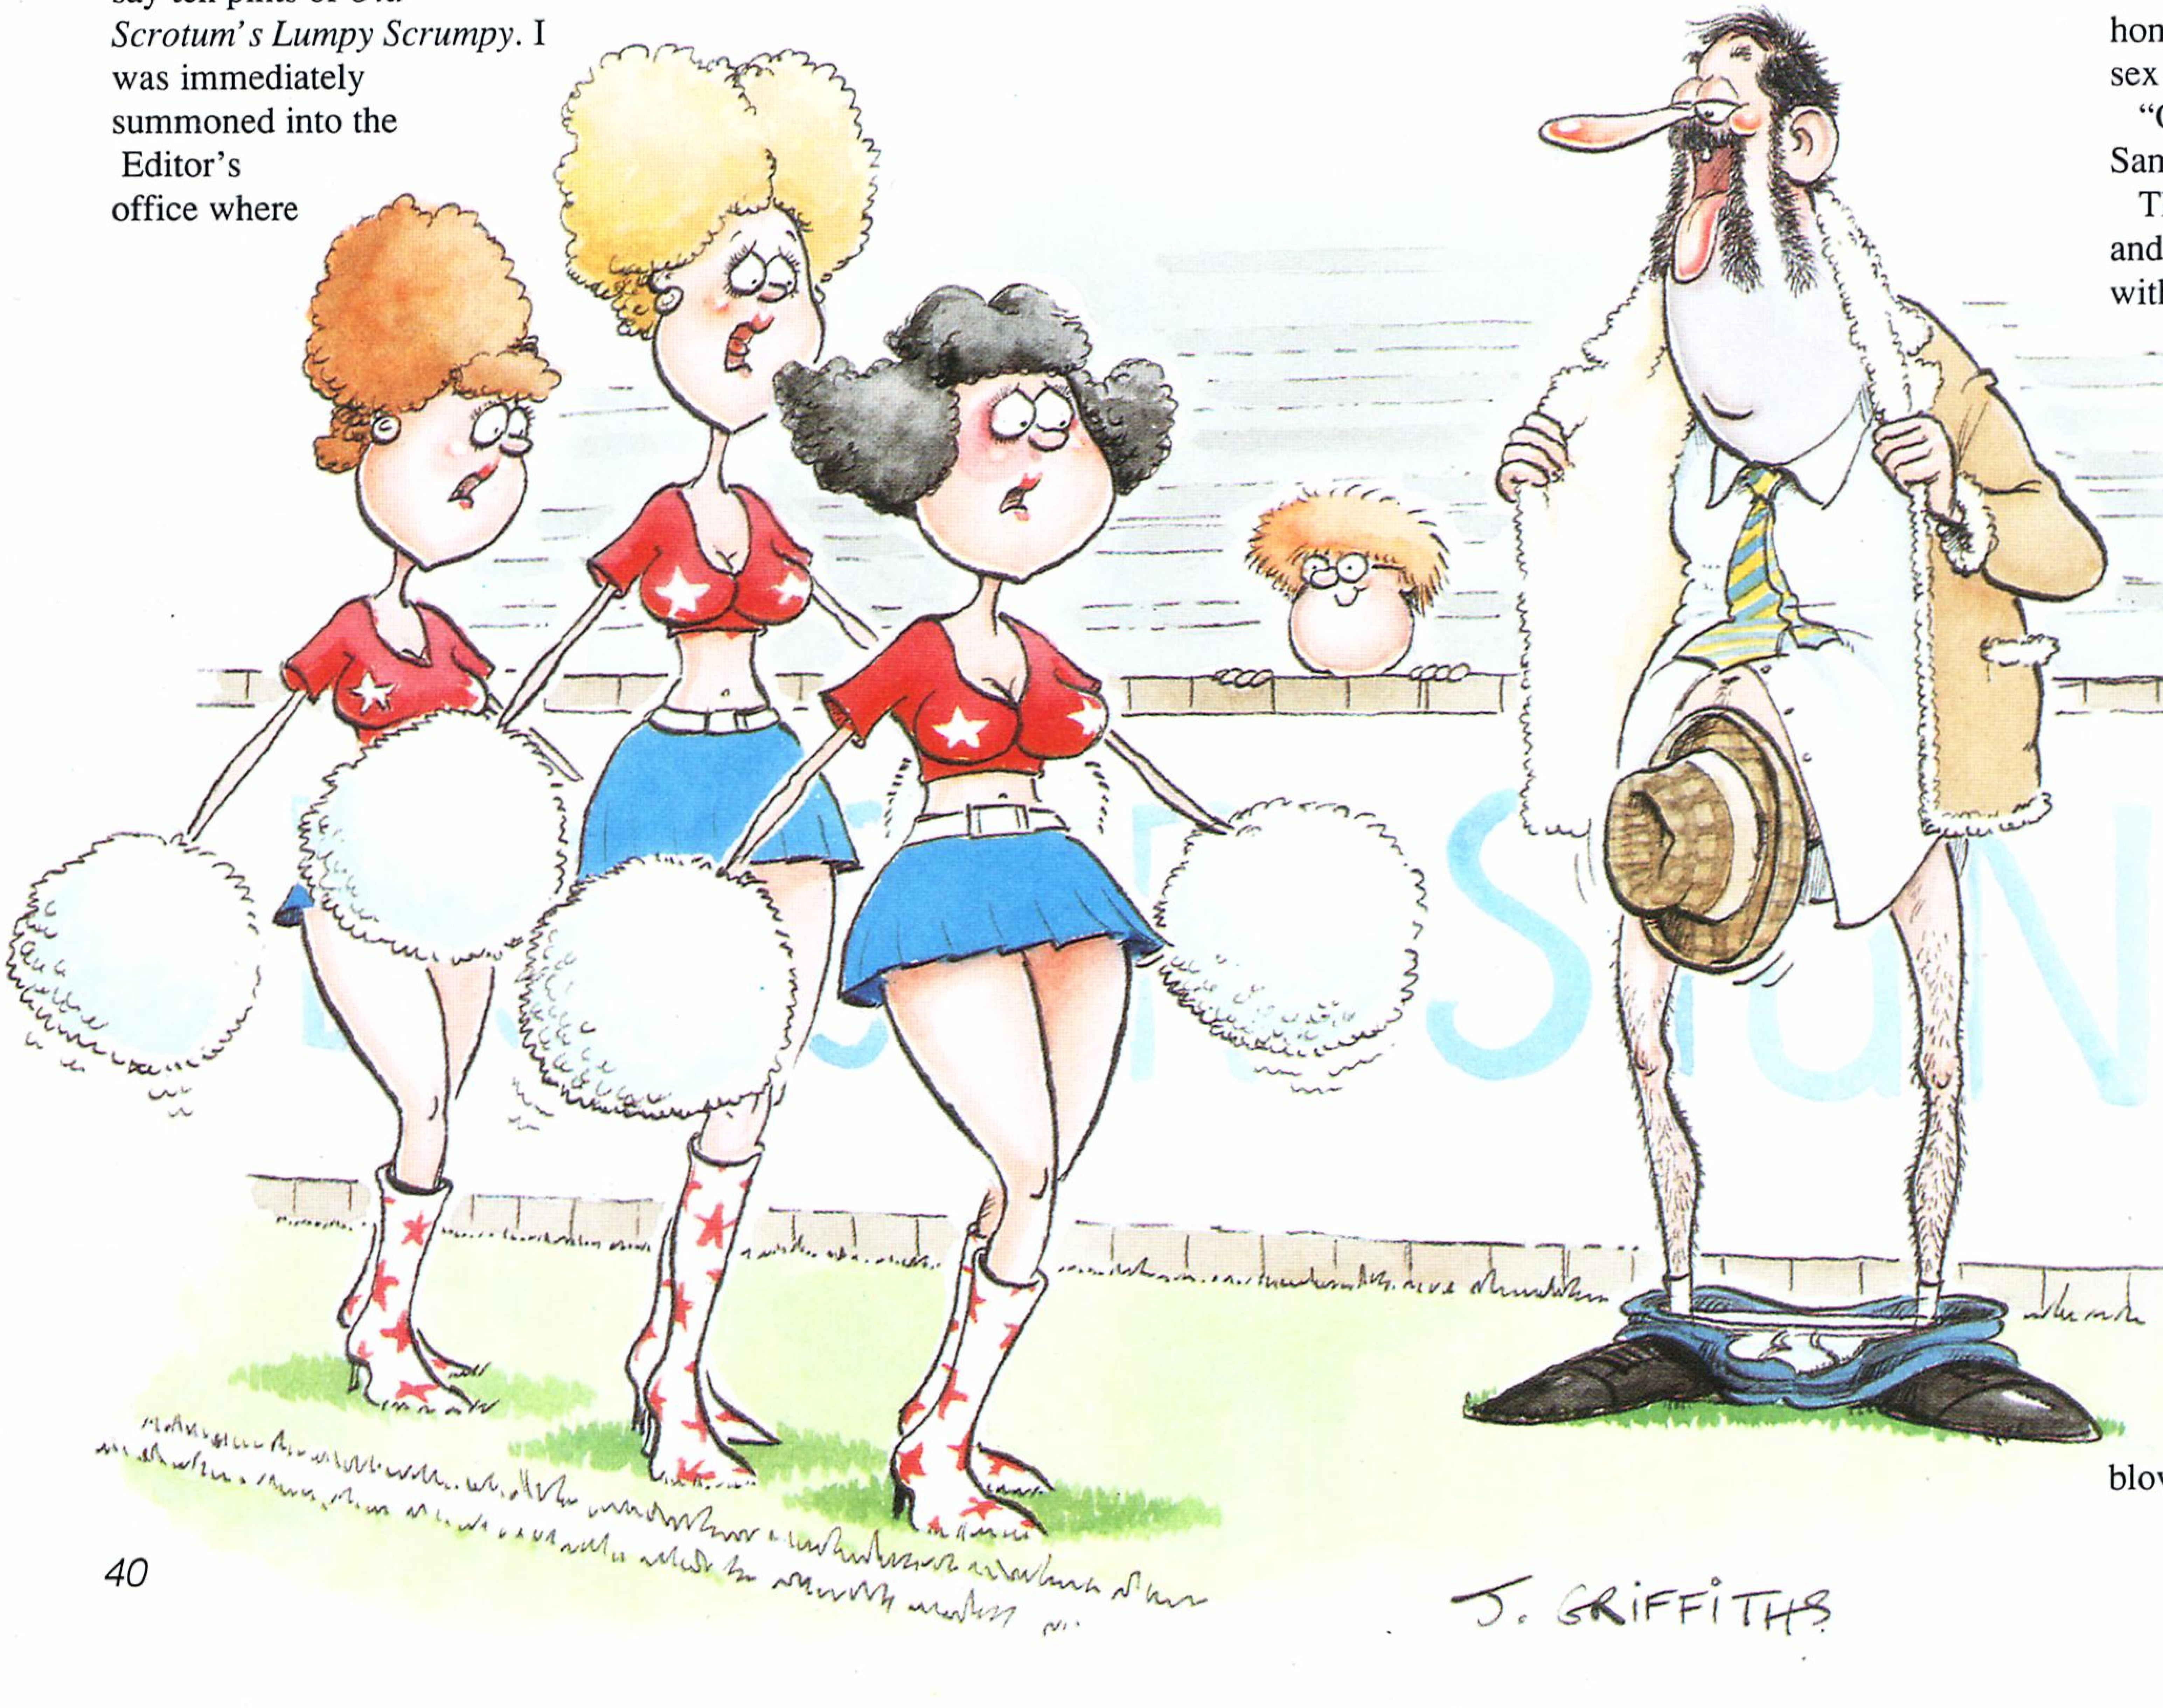
On Saturday afternoon a large and lively crowd gathered outside Knob Road to witness the arrival of the celebs. First off the bus was charming chat-show host Kilroy Hunk. "Hiya baby buns," he says the moment he claps eyes on Sammy Scroates, the dishy doyenne of the Spurts' dug out. "Why don'tcha slip outta those damp panties?"

"How d'you know my knickers are wet?" replied Scroatsie. "'Cos you just caught sight of Kilroy Hunk, honey," says Hunk, "an' I am sex on legs."

"Ooooo-er!" squeaked Sammy, and fainted.

The game got underway and the first half passed without incident save for one moment when a member of the crowd got over excited at the sight of the celebrity cheerleaders and ran onto the field with his trousers round his ankles, chanting "I have got a donger/ That's longer than a conger/All join on/ ner ner ner ner..."

Happily this filthy pervert was stopped in his tracks by the swift intervention of the police (PC Bobby Bent) who knocked him unconscious with a sharp blow on the barnet.

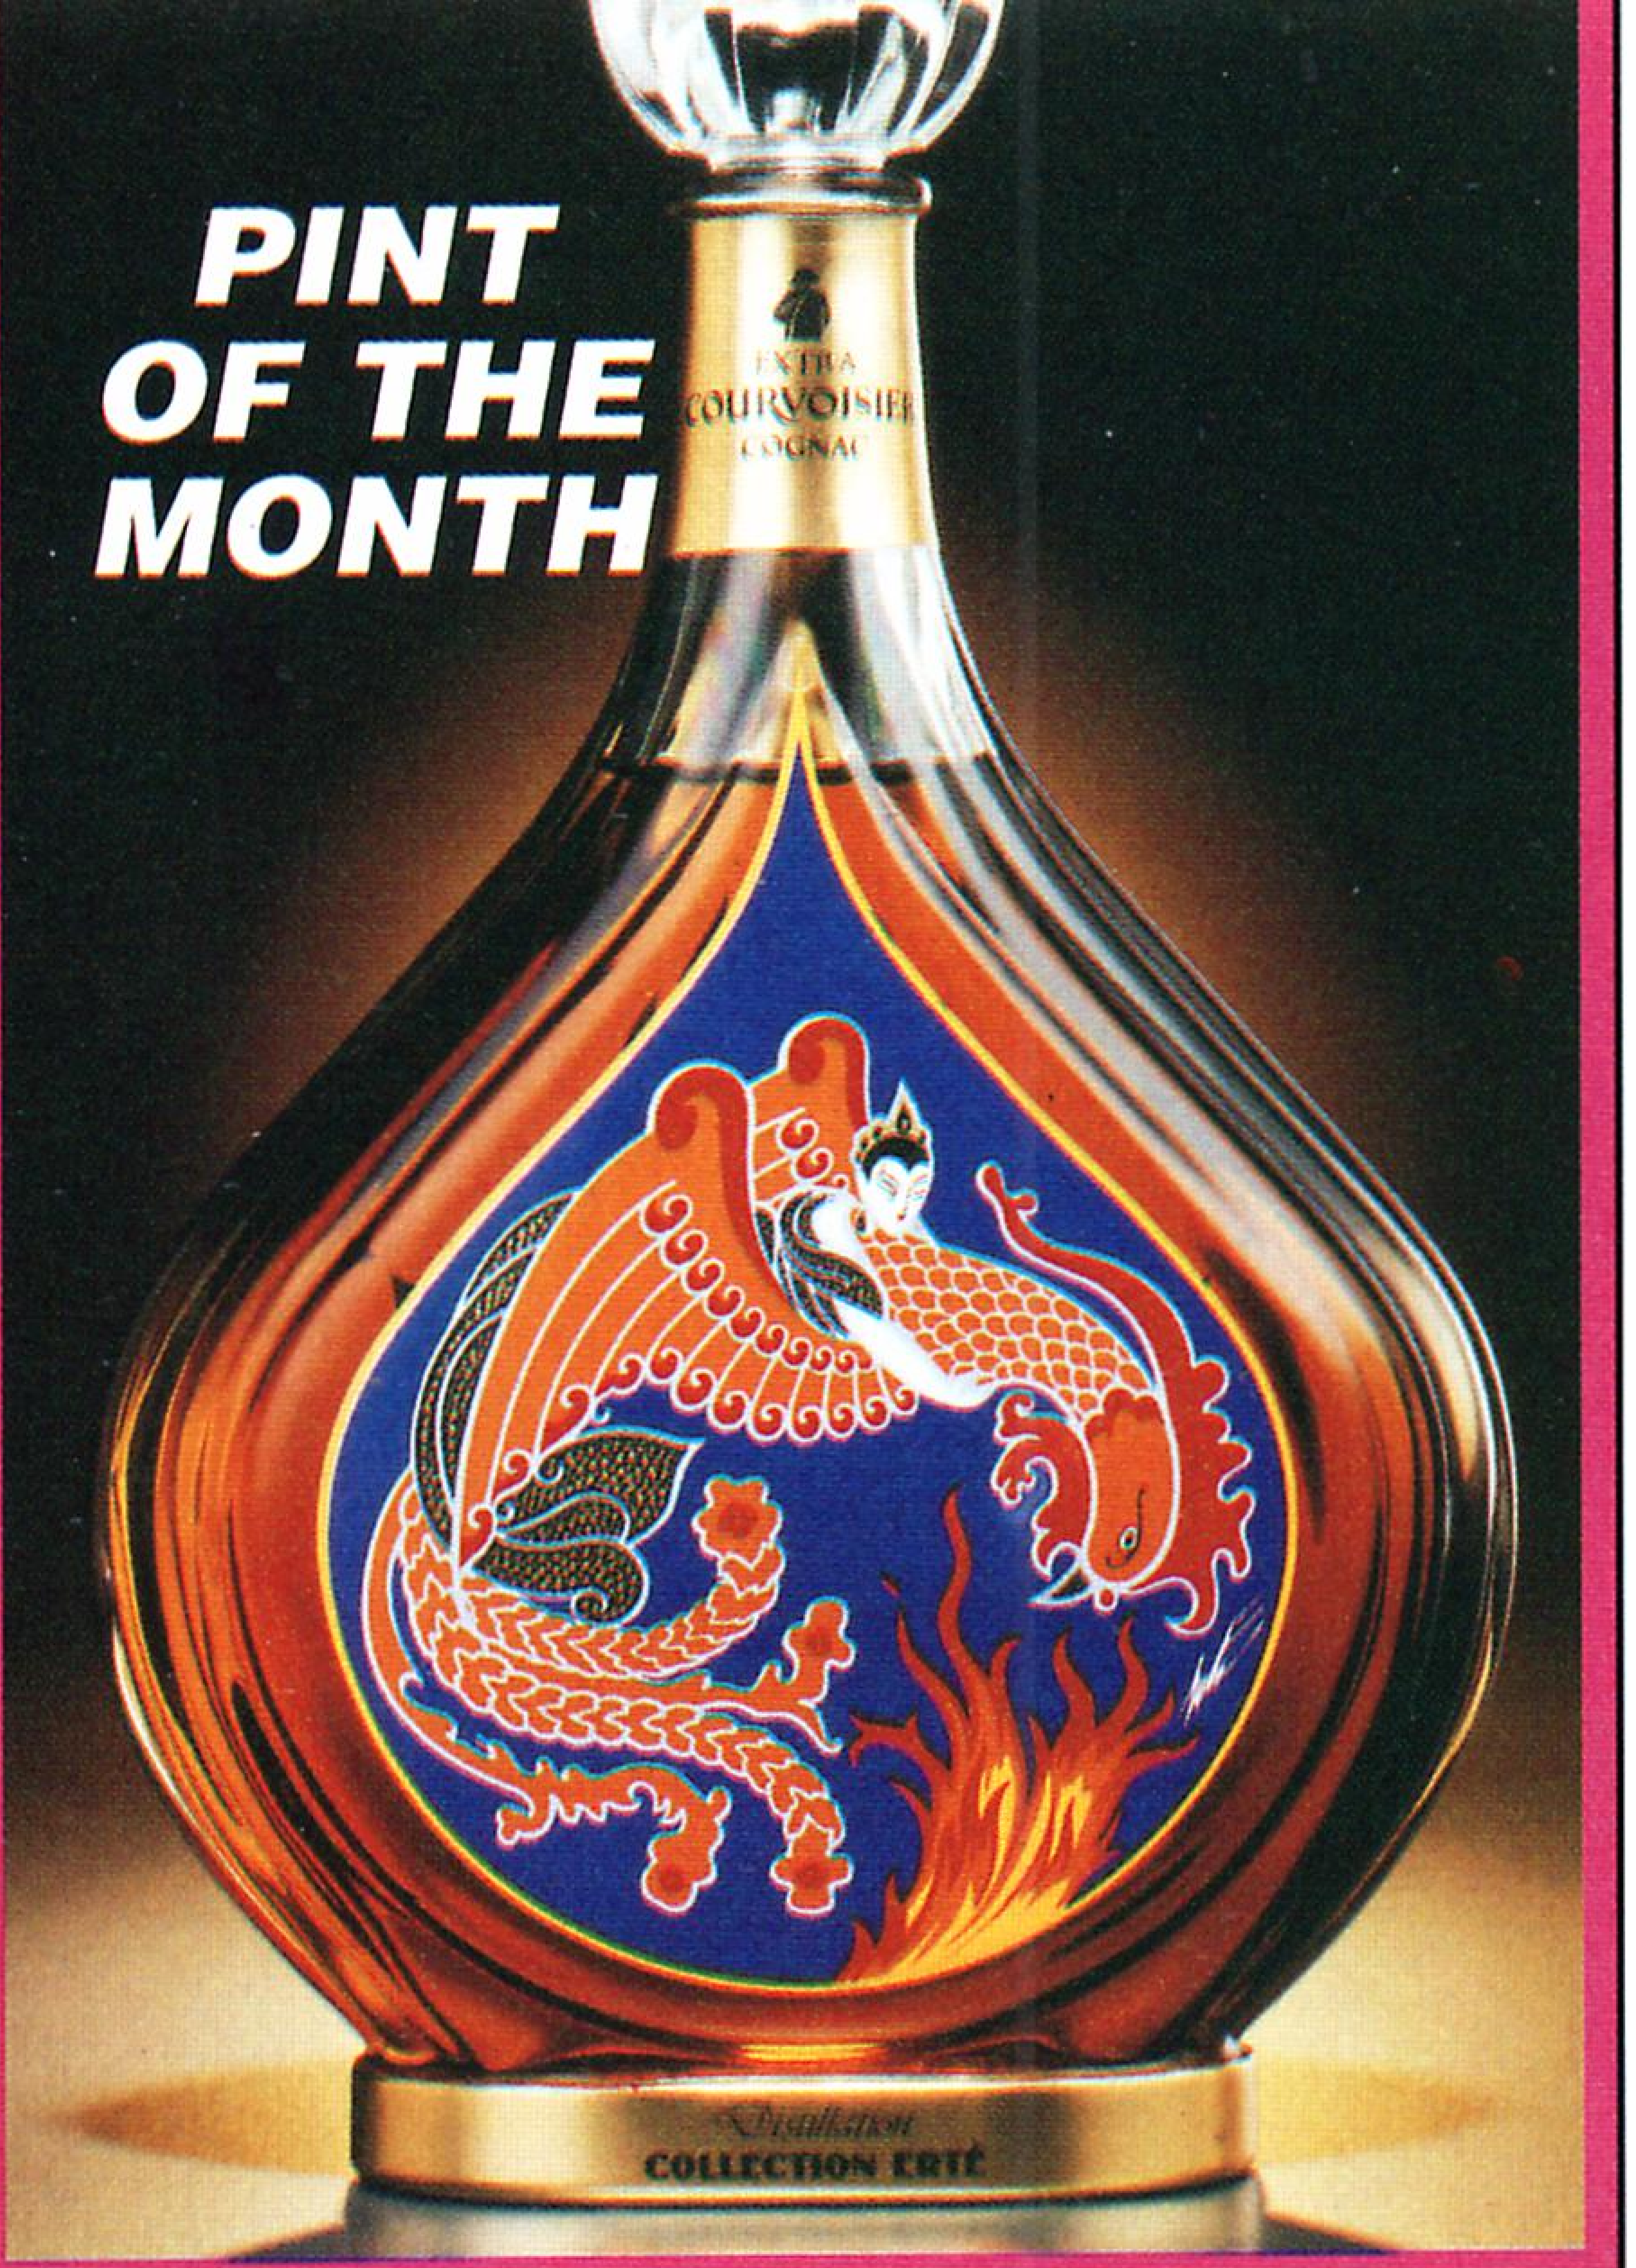


Well-known bon viveur and boozer, ***Arthur Lager-John****, takes a look at this month's top tipple, a rare bottle of brandy from Courvoisier.*

After 12 pints of lager top, even the best of us have to go over to shorts to stop our bladders bursting on the night bus home. Now me, I like a drop of brandy or cognac (pronounced con-yak by the Frogs) to add a bit of throb to me gob. So when the Ed told me a new one had come out in time for Christmas, I just couldn't wait to get it down me neck.

Courvoisier's *Collection Erte* is a blend of their best booze bunged in a funny shaped bottle. Designed by Monsieur Erte, an ancient foreign geezer, in the art deco style (that's art worth having a deco at), it looks like a cock with cognac in. No wonder the missus wanted to take a swig straight from the bottle!

Any road up, the brandy's bloody good – far smoother than the bottle Big Jeff has on his



PINT OF THE MONTH

optic – and our Vera reckons it goes down a treat with *Babycham*. But it's fucking pricy. Courvoisier *Collection Erte* costs nearly £200 a bottle – and that's without the *Coke*. What's more, you don't get anything back on the empties. I mean, who's got two hundred sovs to splash out on a bottle of booze what with Christmas coming up and all?

My advice is get a litre of Tesco's instead, melt down a plastic lemonade bottle till it looks like a deformed dong, and bung it in that. Nobody'll know the difference, except Monsewer Erte, of course, and he's probably too old to give a toss.♣

When I woke up it was half-time. I must say I was well surprised to see the interval oranges being dished out by Spurts' Geordie joker genius Paul "Guzzler" Gutbucket. However, all was explained ten minutes later when Piddleham's Chairman, the happy hippy Martin Righton, came charging out of his office shouting, "Like, wow. Like, far out. Like, someone's stolen my stash, man."

Before anyone could react to the long-haired loony their attention was grabbed by a shriek from the "Voice of Piddle" Simon Mates: "ACEEEEEEEEEEEEED!"

The practical joker from Prudhoe had played another of his wacky pranks! Within seconds the sacred Knob Road turf was a mass of writhing nudity as the two teams, the cheerleaders, and anyone else who had tasted the doctored orange segments tuned in, turned on and fell over.

Naturally, your old mate Frankie decided to take advantage of a situation that promised to provide more scoring opportunities than the Meadowbank Thistle defence. I raced onto the field and grabbed delectable DJ Jakki Brainded.

"How about digging the groove with a hep cat?" I says, speaking her lingo.

"Fuck off" she replies.

"Cool it, sister,'' I says, "remember that mellow orange?"

"I never ate it," Brainded says. "I have to watch my figure." And Frankie Gutt should've watched her right knee. I've been bent double ever since.

Still, they do say every cloud has a silver lining. Max Sackwell was so impressed by my colourful, groin-level reporting of the ensuing action that he's promoted me... to the overseas sports desk! Can't wait to get a load of all those tasty foreign birds with all-over tans! Actually, Max did mutter something about the Falkland Islands, but I'm sure he was just pulling my leg... wasn't he?♣

*If you've ever wondered why all the naughty bits in rented videos have gone fuzzy, **Allan Bryce**, the only man with a braille TV, is the man to ask. He probably knows a crap joke about it too...*

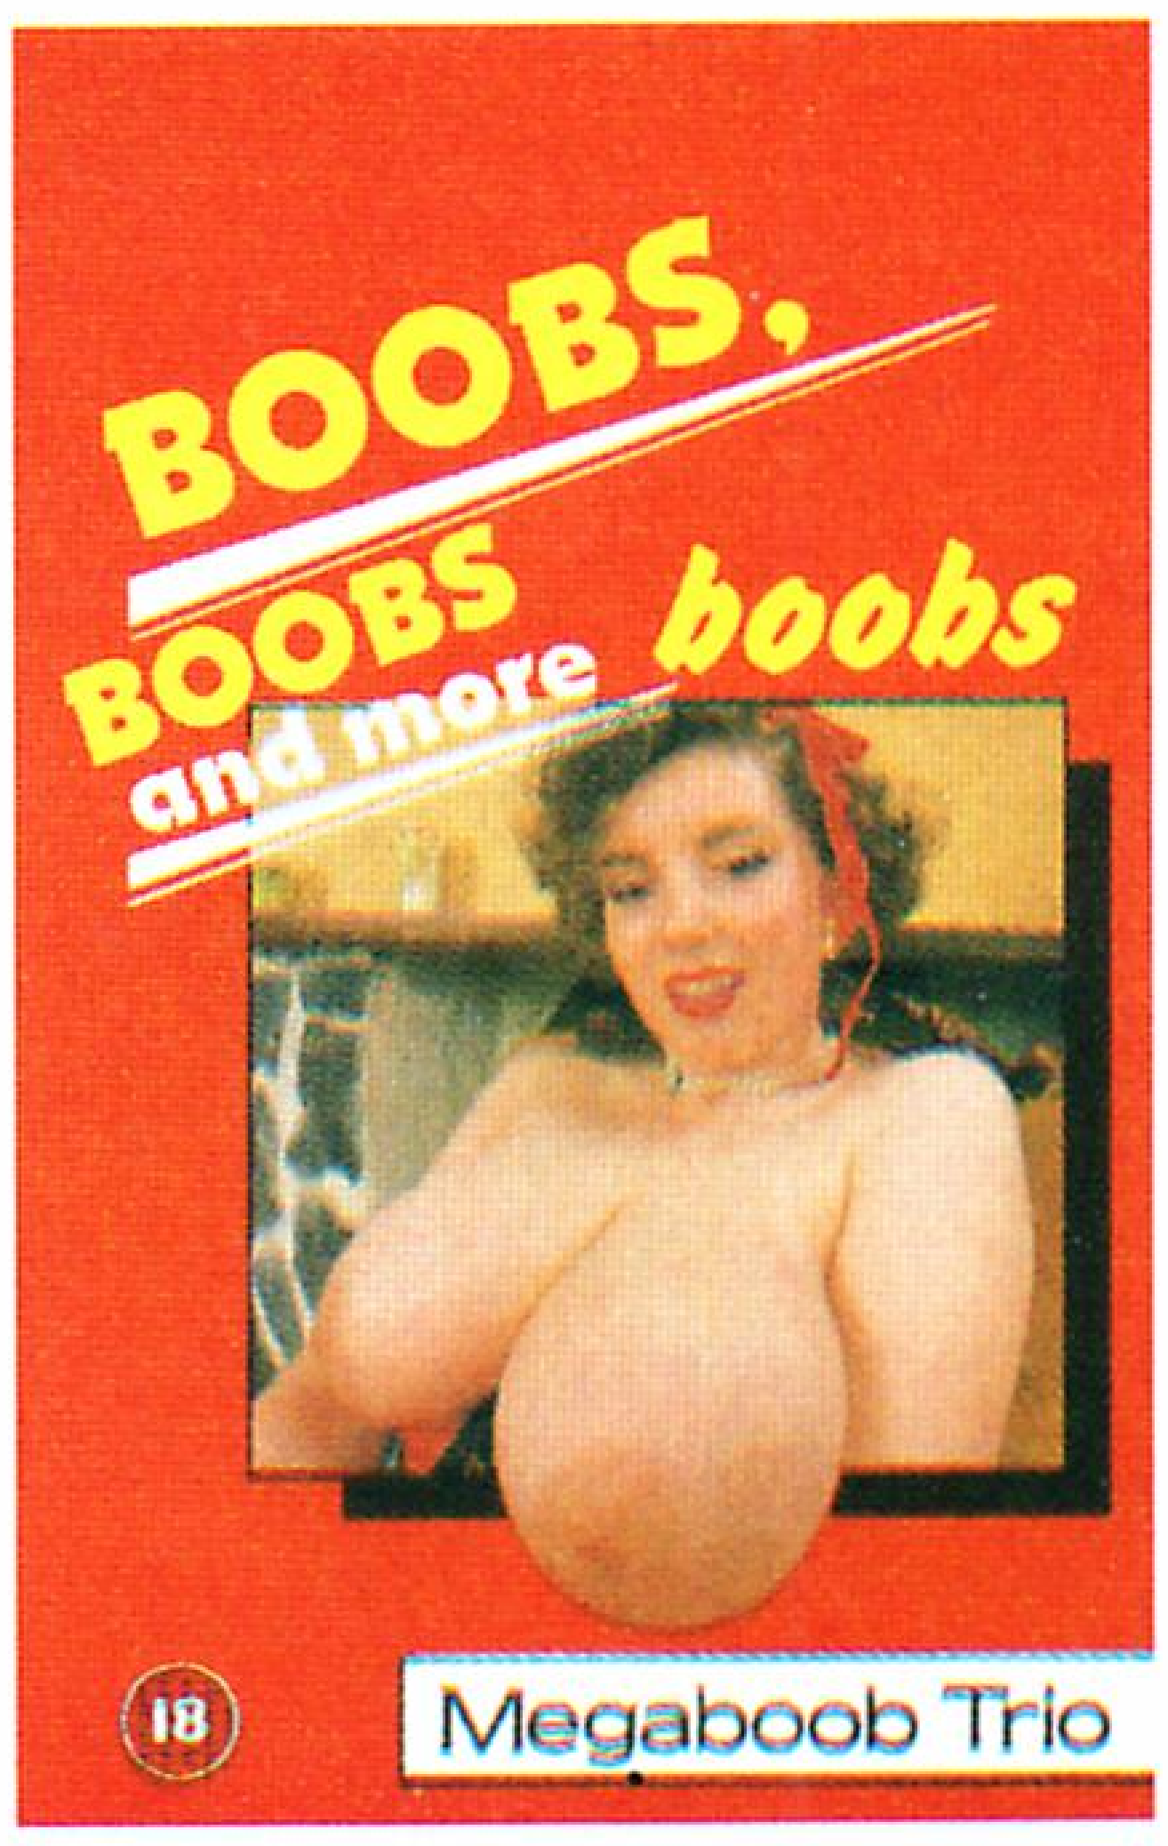
No matter what that bloody Roy Wood says about wishing it could be Christmas every day, I find it a very trying period. It should be the season of peace and goodwill to all men, but the kids want *Robocop* rocket launchers and *Ninja Turtle* outfits so they can blast and karate each other into oblivion. Then it's obligatory to spend a fortune on booze, which you don't dare drink because you've got to pick Aunt Maude up from the station. You remember Aunt Maude — she's the one nicknamed *The Exorcist*, because every time she comes round she cleans out the spirits!

This year I have decided to take a lesson from the Ed. Even at Yuletide, the only way you'll get a drink out of him is if it passes through his kidneys first. Legend has it that he went outside last X-mas Eve, fired a gun, and told his kids Santa Claus had just committed suicide.

Anyway, following old Bleachy's example I decided the best way to cure those X-mas blues was to say 'Bah! Humbug!' to the world and settle down in front of my 37-incher (yes, it really is that big, Vicar) to enjoy the sort of tapes that get the old home-baked mince pies standing out on stalks. That way it won't only be the crackers I end up pulling (joke courtesy *The Jim Bowen Best of Bullseye Annual 1975*).

First out of Santa's sack is **Expose Me Lovely**, which states 'The photographs depicted on the sleeve of this video are not necessarily extracts from the film.' No shit! The cover has this hot little number lounging invitingly on a bed and shaving her pubes – a scene conspicuously absent from the movie. The only use of a razor in this mid-70s American hardcore epic is carried out by the censor, who has edited it down with all the subtlety and finesse of Jack The Ripper on five pints of *Old Peculiar*. Jennifer Welles (no relation to Orson) stars as a wealthy woman who hires a private Dick – and I use the term advisedly – to find her missing brother. Our thick-set hero's investigatory methods involve doing the horizontal conga with every horny female suspect who comes his way, so his greatest challenge is to solve the mystery before his knob drops off. It's dated, but quite amusing and a better bet for a twist of the wrist than *Harry Secombe's Christmas Highway*.

Next, I got stuck into **Big Boob Housewives in Action**, which is one for the fella who likes his women to have breasts considerably larger than their heads. This is a brand new British production, though you wouldn't guess it; the director has managed to make it look as if it was made in the early days of cinema by somebody who wasn't sure what a camera was, let alone which end to look through. Fortunately the subject matter is foolproof: two horny housewives get their knickers off, unload their over-the-shoulder boulder-holders, and start dancing round the living room knocking over the furniture. There's no plot or dialogue to worry about, just a weird electronic soundtrack which sounds like Tangerine Dream's Greatest Hits played by a drug-crazed Russ Conway on a pocket stylophone. After nearly an hour of this you may need to lie down in a darkened room.



A small film about big tits

But the onslaught continues with **Boobs, Boobs and More Boobs**, a similarly themed affair featuring three hot chicks changing into a variety of sexy underwear in preparation for a party that never happens (presumably because it would have broken the film's 50p budget). Connoisseurs of curvaceous crumpet will immediately

recognise the most mature of this titular trio as 'Auntie' Pat Wynn, a gal who has been round the track more times than Sebastian Coe. Goodness knows who the others are, but the combined size of their threepenny bits would be enough to keep the Titanic afloat.

Now, take your choice between Bing Crosby in *White Christmas*, or a tit-filled extravaganza called **Talking Walls**. Frankly, it's easier to work up the inclination to chastise Percy in the palm whilst watching the latter, a very sexy teen comedy about a nerdish high-school kid who installs video equipment and one-way mirrors in a sleazy motel, then films the kinky goings-on to help him in his planned thesis on relationships. Forget all that crap and concentrate on the fact that this is a voyeur's wet dream, packed with totty.

I like a mucky movie as much as the next man, unless the next man happens to be Bill Shipton, a fella who is not truly happy unless he is being pelted with custard pies by topless females – that's why he goes in to visit the Club offices so often! Big Bill is one of the masterminds behind the excellent *WSM* series of tapes – that's *Wetlook, Slapstick and Mudlarks*. **WSM 3: WSM TV** (which is only available by mail order from PO Box 517, London SE23 3UY) is the best yet, featuring truly tasty females getting splattered with a startling array of substances – all of which, Bill says, are available from your local supermarket. The *WSM* team made this one in the Lake District, with plenty of wet water nymphs frolicking in a lake, and mucky maidens mud wrestling in a field. We also get a fabulous four-girl food fight, and some hilarious take-offs of TV personalities. Entertaining stuff, that will show you what to do with the leftovers from this year's Christmas dinner...♣

Night Clubbing

A couple of nights ago I met a gorgeous 18-year-old and she gave me such a fantastic time that I just had to write and tell you about it. Nina was one of the horniest girls I've ever met, and although I didn't even fuck her I had an incredible work-out!

She had beautiful long, black hair and she was wearing a mini-skirt which hugged her pert bum and flashed her stocking-tops when she crossed her lovely legs. She was sitting in a bar with her friend Rosie, and after I'd complimented her on her great figure for a while, and bought her and her friend a few drinks, I invited her outside for some fresh air — on the pretext that it was too hot in the bar.

Nina agreed straight away, and as soon as we got outside we ducked into a dark shop doorway and she started to unzip my jeans. The sight of this naughty girl and the risk of being discovered made me so hot that my cock was rock-hard the second she put her hand around it. She started to toss me vigourously, rolling my balls around with her other hand, until I wanted to shoot right over her delectable round bum.

Suddenly she said, "Since you like my bum so much, don't you want a closer look at it?" I nodded, speechless, and she bent over and pulled down her little white knickers. I licked and kissed her bum cheeks and down her legs, which drove her absolutely crazy, and then she turned round and pulled my head towards her dripping cunt. I ran my tongue along her sticky clit

Dear Marika,

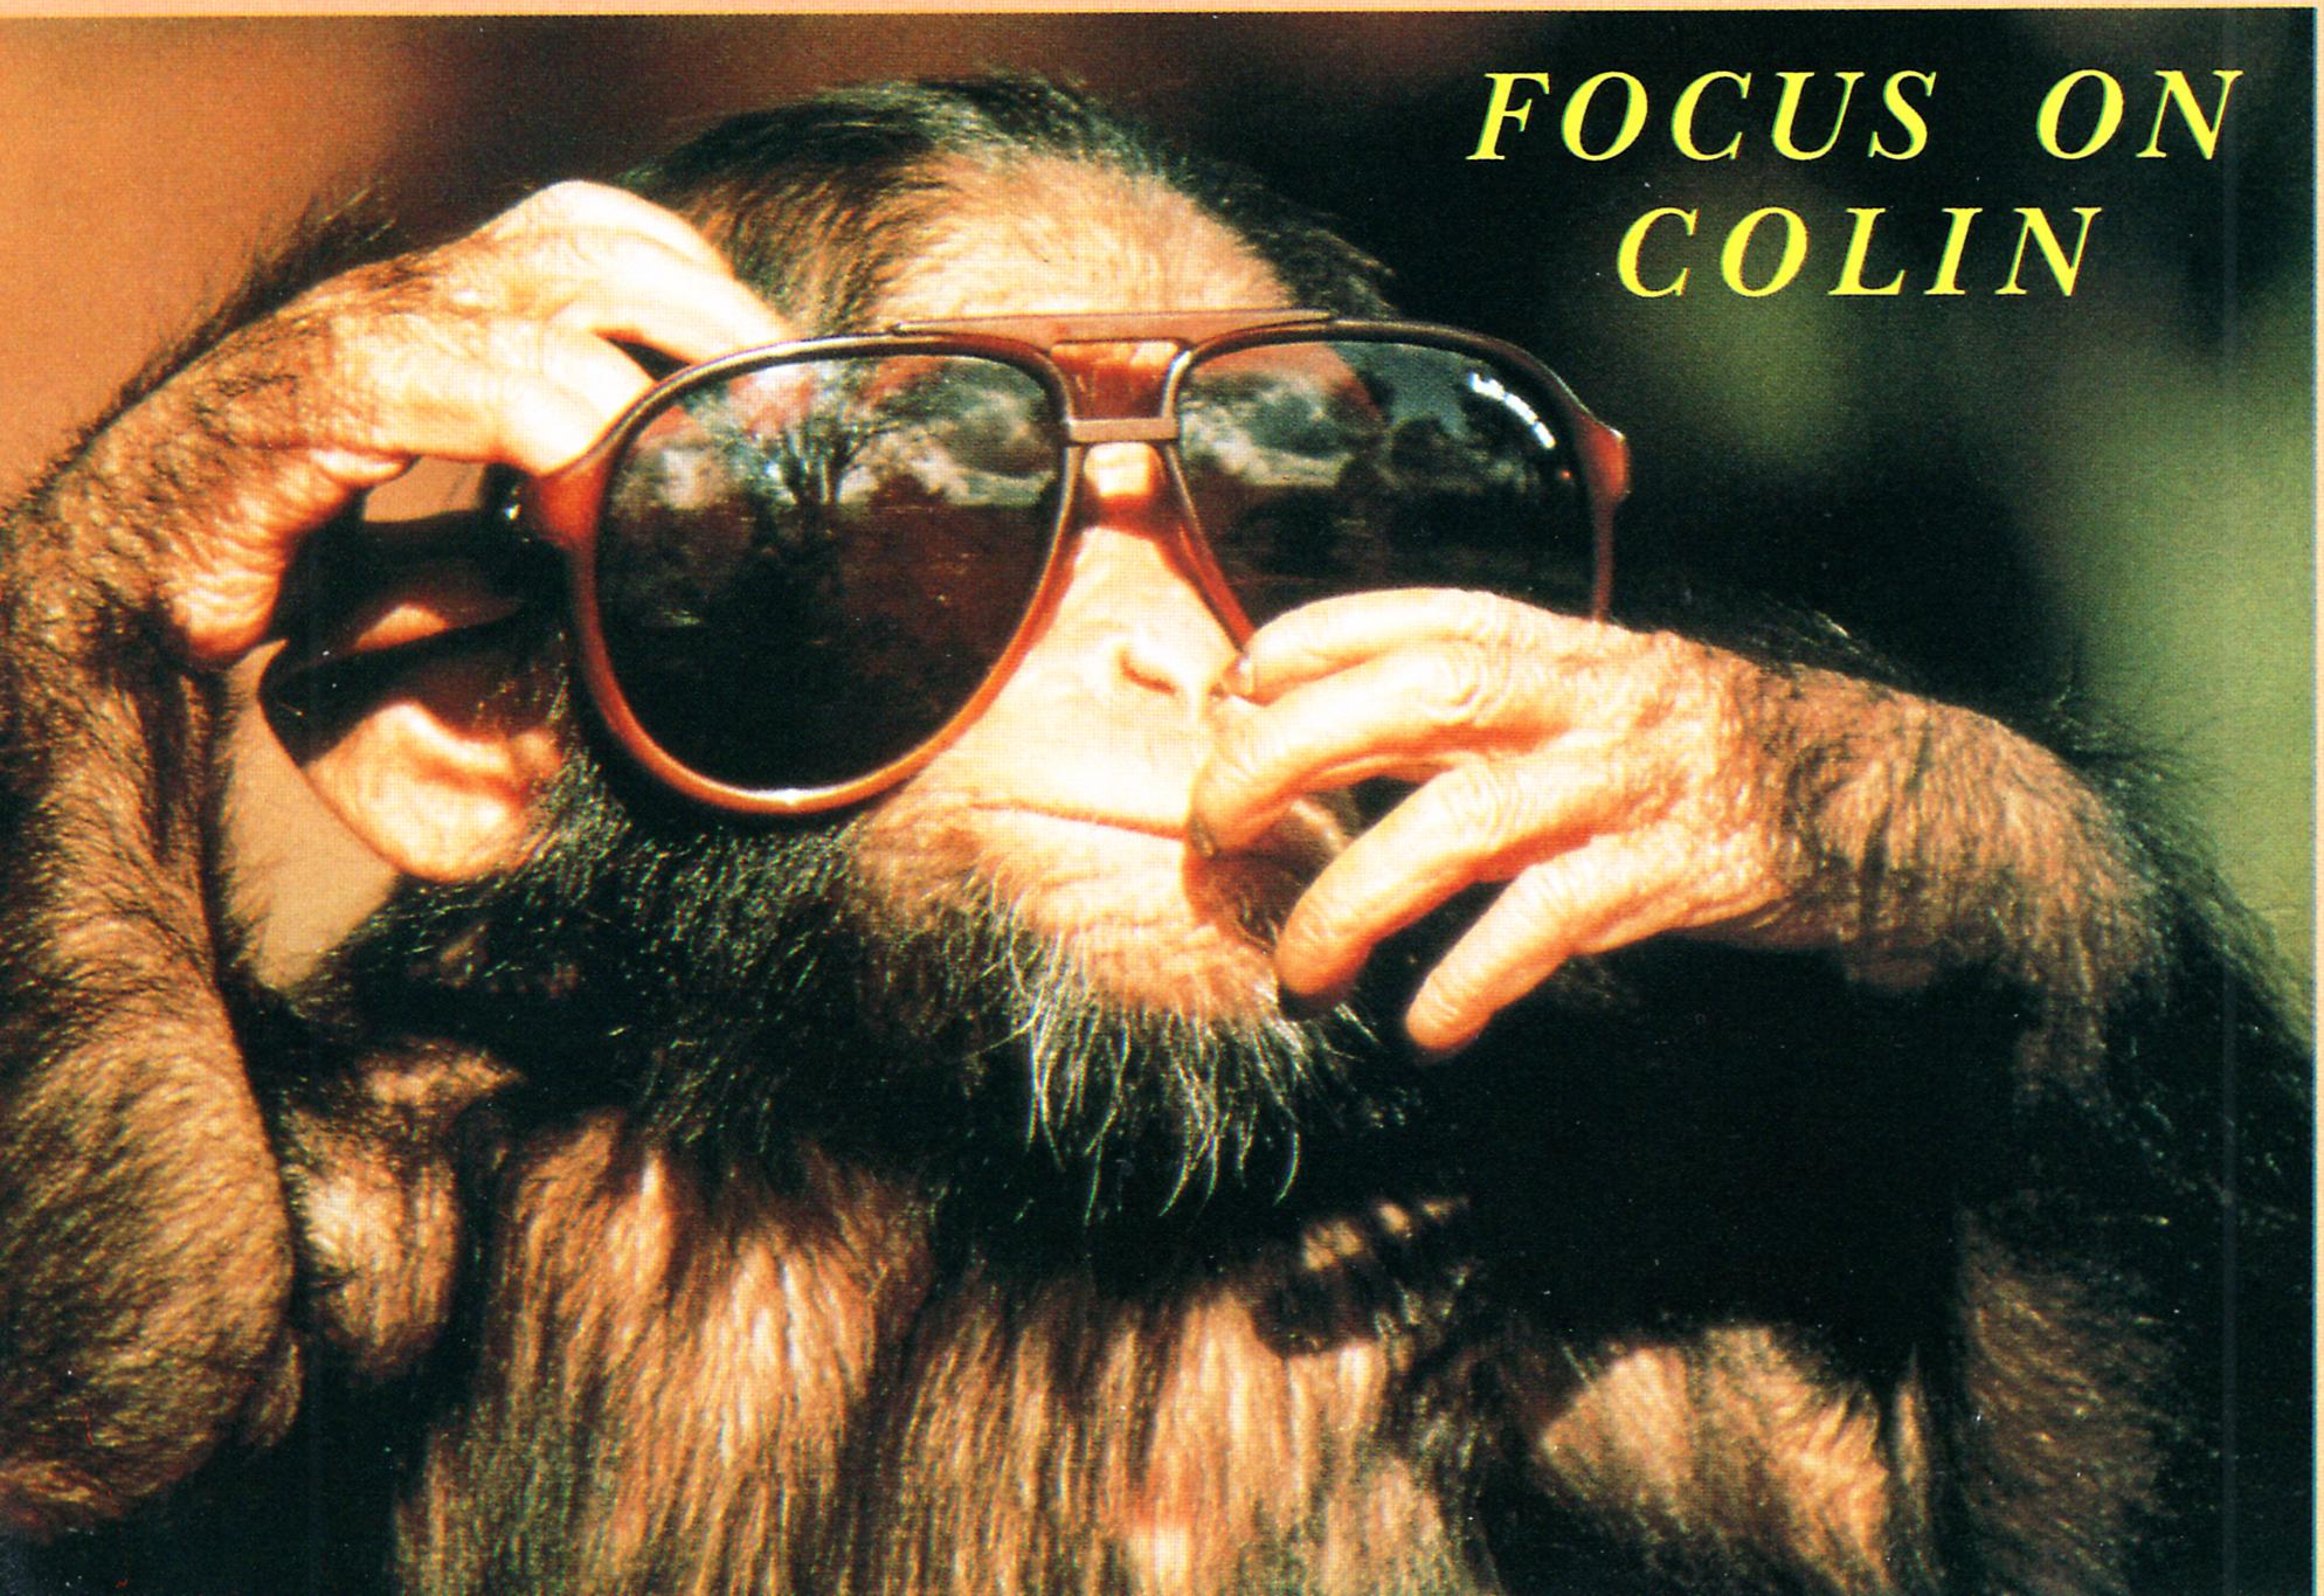
FOCUS ON COLIN



Colin the chimpanzee, the most famous Editor's pet of all, isn't easy to get hold of. The reclusive star lives deep in the bush at the far end of the Editor's roof garden. Colin's 200-acre estate is surrounded by a 20-foot-high fence, patrolled by security guards.

Colin is a charming host. "Tea?" he smiles from behind the Ray-Ban sunglasses he is rumoured to wear even in bed. "Darjeeling, or Earl Grey?"

We ask for PG Tips.

"Piss. Won't have the stuff in the house," he says dismissively.

"I did parts like that when I was getting started, but now I only take fulfilling roles.

and pushed it into her juicy tunnel, her pussy walls tightening as she came wildly.

She wouldn't let me fuck her, but she rubbed my knob end up and down her cunt lips, tossing me off until I spunked all over her curly pubes and my come trickled down her legs. Then she said her friend would be in a really bad mood if we didn't return soon, so we went back into the bar.

We sat down next to Rosie and she looked really miserable. I tried to kiss Nina

can say 'blow-job', you're down there lapping at my crotch. Aaah, you're deep throating me now, Marika, and you get the whole of my knob in your mouth!

Suddenly my spunk explodes from my dick, and you're lapping up every last drop of it!

So, Marika, how's about' it? I'm ready and waiting!

— Mike, Leeds

You bet! Your horny story had me frigging myself till I was gushing like crazy.

I went out with this guy once, and the only place we ever did it was in his car, 'cos he shared a flat and it was the only place we could be alone! I really liked doing it there — I dunno, it must be the throbbing of the engine! — ***Marika.♣***

proud of my performance in *Gorillas in the Mist* – and, of course, my Hamlet. I don't smoke the cigars myself, but the concept of the car in the safari park was mine.

"I do get typecast as a chimpanzee. For that reason I'm considering taking the role of James Bond next year."

Was the Editor a help to Colin in his early career, we wonder?

"Was he fuck. The man's a tosspot, and his jokes always go on too long. Now bugger off, it's time for my banana."

If you ever get a date with Lorraine, be prepared for a long wait. She turned up three hours – yes, three *hours! – late for her photo shoot and we got the definite impression that we were interrupting something!*

"I'm really sorry," giggled 20-year-old Lorraine, fondling her juicy nipples, "I just couldn't get out of bed!"

But it's four o' clock in the afternoon, Lorraine.

"I can't help it!" she said, flashing her bedroom eyes. "Once I'm in bed, I stay there... especially when there's a horny guy with me! – I can just imagine him lying there waiting for me, plumping up my pillows," cooed Lorraine. "Ooh, that makes me feel so horny."

You see, guys, the best things in life are worth waiting for. ♣

Carol

“I know what you’re going to write about me,” says 19-year-old Carol with a giggle. “You’re going to say something about my boobs, aren’t you?”

Well, it would be pretty difficult to talk about this lady without mentioning those humungous kajooblies – so let’s get it over with. Carol measures a comfy 46–27–36, reckons each boob weighs two and a half pounds, and says “The biggest drawback is not being able to run for buses. But then,

if it's a bloke driving he tends to stop for me whether I'm at a bus stop or not!"

Carol is currently staying in Los Angeles, where she has so far caused eight serious road accidents, but she'll be coming home to Birmingham after Christmas. Keep your eyes on the road, guys... ♣

WOMEN'S WRITES

Where the girls get down to business

Ticket to ride

I am a 29-year-old redhead. I am five feet five, slim with a fit body (I work out with weights twice a week), and I have 34C boobs. I have often been described as having girlish looks, probably due to my short bob style hair-cut. So now you know that your readers can picture me, let me tell you about my sexual adventure.

I have been a regular reader of Club for over a year now. I was introduced to it by my boyfriend, who liked me to lie on the bed wearing just my stockings and play with myself while he knelt next to me, naked, reading the letters. He would wank until he eventually came over me, usually on my thighs, although sometimes he would get carried away and come on my boobs or face. Then he would always recover quickly and would then proceed to screw my little fanny off.

After we split I continued to get Club as by then I had discovered the joys of a quiet night at home on my own with the baby lotion. Some months back I was re-reading some really sexy letters when my eye was caught by an advert for sex toys. I liked the sound of the duo balls so much I ordered some then and there!

I planned to wait until I saw my current boyfriend before trying them out, but I've got no will power whatsoever! That evening I popped them into my pussy and went for a walk around the block. The sensation was terrific as the little balls rolled around inside me and by the time I got home I was so horny I just had to apply some soothing baby lotion! In minutes I was doubled up in the throes of one of the best orgasms I'd had for ages – but it was nothing compared to my next one!

The following Saturday I went up to Glasgow to visit my boyfriend. Trains always make me randy, so while I was waiting for my connection at Birmingham I went to the Ladies and popped in the little rattlers (as my boyfriend calls them). I thought it would make me really horny, ready for Phil.

On the next train from Birmingham I was sitting opposite an old man and his wife. The little balls were bouncing around inside me, massaging the inside of my pussy until I was dripping. It was all I could do to retain my composure as I squirmed around in my seat and chewed my bottom lip. The stares from the couple became so accusing that I mumbled something about cramps; he looked confused and she smiled in a motherly way and said "I know, dear".

Eventually I could stand it no longer and I decided to go to the loo and remove the balls. I was already so hot that I thought my panties would catch fire! As I stood to go they must have shifted position inside me. That was all I needed.

I moaned uncontrollably as the most violent orgasm I've ever experienced hit me. As the waves swept over me, my cunt spasming, my legs buckled under me and I fell forwards across the table. Next thing I knew I was being helped up by the couple opposite. I pushed

past and ran to the loo and pulled out the balls. As they popped free I came again, completely unexpectedly. It took me some minutes to recover and regain a little composure.

When I got back to my seat the woman was saying comforting things about what women have to bear and her husband was looking very confused. I just hope they took my bright red face to be a sign of embarrassment, and not the result of a severe rattling! - *Jemma, Bristol*

Lady On Top

I've never told anybody about this before, but I just had to write to Club and tell you about this or I'll burst! I've never had any secrets from my husband before, but for obvious reasons I can't tell him what I'm about to tell you!

It all started when my husband put in for promotion at his bank. The manager of his branch is a woman, and he's always felt a bit insecure working for her, so when she invited us for dinner he took it as a good sign.

Obviously we wanted to make a good impression, so David bought me a gorgeous new dress for the occasion – a tight black number with a plunging neckline that really showed off my huge boobs and hugged my bum. I must admit I looked really sexy, and David thought so too. We had to talk about really boring stuff on the drive to his boss' house to get his hard-on to subside. I think it was only nerves that kept his hands on the steering wheel!

Lorna and her husband Michael live in a really classy neighbourhood, and I started to feel nervous too as we walked up to the front door. But I was soon put at my ease as Michael let us in. He is a handsome man in his late fifties, and terrific company. Taking us into the sitting room and pouring us drinks, he told us, "Lorna won't be a moment, she's just getting dressed."

After a few minutes of pleasant chat, David's boss walked into the room. I'd assumed she would be the same age as her husband, so I wasn't prepared for the sight that met my eyes. Tall and slim, with long blonde hair, Lorna didn't look a day over thirty. Her cream dress clung to her marvellous figure and I couldn't take my eyes off her as we sat down to dinner.

The evening went smoothly and I was relieved when David relaxed and started to enjoy himself. I really liked Lorna and Michael, although I found it disconcerting when, every time I looked up, Lorna's brilliant blue eyes met mine. As we polished off bottle after bottle of expensive wine, her gaze became more direct, and I started to flush, sure by now that she knew how attractive I found her.

After dinner Lorna offered to show me the rest of the house, and I eagerly agreed. She led me up the wide staircase, walking ahead of me so I could see her trim bottom swaying from side to side under the tight fabric.

The main bedroom was especially pretty, with lots of lace and frills and mirrors along one whole wall. Lorna seemed in no hurry to return downstairs, but motioned me to sit down on the bed. By now I was quite overwhelmed by her looks, her charm and the wine I'd drunk, and I found myself only half listening to her chat as I watched her moving gracefully around the room.

When Lorna leant across me to reach something, her blonde hair brushing my cheek, and the smell of her seductive perfume suddenly made me feel so giddy I tipped over the glass I was clutching. I watched, horrified, as red wine spread over Lorna's expensive cream dress.

"Please don't be upset, " she said, putting her arm round my shoulders. "It doesn't matter at all. I'd better soak it quickly though, before it stains."

Standing up, she asked me to unzip her dress. I held my breath as I slid the zipper down to reveal her smooth, tanned back. Then she turned round to face me, letting the dress slip down to expose her shoulders and her full, naked breasts. I had to fight the temptation to reach out and touch her nipples as they hardened before my eyes.

She smiled, and I blushed even redder as I realised she knew exactly what I was thinking. Then she let the dress slide to the floor, and stood there completely naked, letting me stare at her

body without any embarrassment at all.

"You're beautiful," I gasped, surprising myself.

She just smiled prettily and said, "Thank you, Jo. I'm glad you like me as much as I like you." My confusion increased as I felt a tingling sensation spread across my thighs. My pussy was getting wet and I had a strong urge to finger myself in front of her.

Lorna gently took my hand and rubbed it over her nipple. I cupped her large tit in my hand, and without even thinking, ran my other hand down her side to her thick blonde bush.

"Oh yes," she gasped, moving closer so her tits pressed against mine and I could slip my fingers between her pussy lips and right into her sopping wet cunt. She started grinding against my fingers, pressing her clitty hard against my hand and moaning softly as her pussy walls gripped me tight. Her juice was flowing over my hand and down my wrist, as she writhed with pleasure.

Suddenly she sank to the floor, pulling me with her. She spread her legs wide, whispering "Lick me Jo, please lick my cunt." I didn't hesitate a moment before parting her pussy lips with my fingers and slipping my tongue into her juicy hole. Lorna raised her hips hungrily, thrusting against me as I lapped at her gaping cunt and greedily licked up her juice. I pushed my tongue in deeper, licking and sucking until she moaned loudly, rolling on the floor in complete abandon. Then she tensed and, pushing my face hard against her dripping pussy, shook with the waves of a massive climax.

As the last throes subsided, she grinned at me, saying, "Wow, that was incredible! I haven't come like that for ages! Have you ever fucked a woman before, Jo?" I shook my head, a little shocked as I realised what I'd just done. She must have sensed my sudden uncertainty, as she wrapped her arms around me and kissed me very gently, telling me not to be ashamed, as I was a wonderful lover.

As she kissed and stroked me I started to get very hot again, and I didn't resist as Lorna pulled up my tight dress to reveal my black G-string and suspenders.

"I want to see you frig yourself," she told me, pulling aside my G-string and guiding my hand to my own pussy. I'd never fingered myself in front of anyone before, not even David, but I

was feeling so horny by now that I immediately sank two fingers into my hole and began wriggling them.

As Lorna watched, her hands crept down towards her own cunt, and she started to rub her swollen pussy lips with both hands. Within moments she cried, "I need you to lick me again, Jo!" Sitting astride my face, she lowered herself onto my mouth. At the first taste of her cunt I came so violently I thought I would black out. Lorna bent towards my throbbing cunt and began to lick me out, and we stayed in that position, sucking at each other's pussy, until we both came once more.

Afterwards, as we lay tangled together on the floor, it gradually dawned on us how long we'd been upstairs. Giggling like schoolgirls, we crept to the bathroom to wash our sticky hands and thighs. Then Lorna put on a wrap and we went downstairs, trying to look innocent.

Just before we went back into the sitting room, Lorna said, "I hope we can do this again soon, Jo!"

The rest of the evening passed in a daze, and later when we got home David asked me what Lorna and I had been doing all that time. I just gave a vague excuse.

The following week Lorna promoted David, and I've often wondered if I had anything to do with her decision! Lorna and I have met several times since, and I'd love to know what my husband would think if he knew what I get up to with his lady boss! — *Jo, Derby*

ON THE JOB

Girls On Film

You must all be getting sick of the sight of me by now! It's only a couple of issues since I last appeared in *Talking Blue*, but the Editor told me that he's been besieged by horny readers wanting to know many more intimate details about my love life.

As it happens, I was sent off on a modelling assignment in Manchester recently; and something happened that I know you'll all be dying to hear about.

If you remember, last time I wrote I was romping with Candida, a horny young porn film actress, on the set of a blue film that we were making. After that, quite frankly, I lost all my inhibitions, and the next couple of months I did a lot of very dirty modelling work, mostly for European magazines. It also turned me on to reading sex magazines, and now if I'm on my own for an evening I'll curl up naked in front of the fire and flick through one while I'm stroking my pussy and frigging myself into a frenzy.

My new-found liberation meant that I was almost desperate for sex the whole time too - the only problem was that I was so busy working that I didn't have time to go out and meet anyone, male or female, to fuck. Frigging myself was good, of course, but not the same as being fucked, and after a couple of months I was getting frustrated.

When I asked why the job paid so much, my agent told me that it was for a Dutch magazine, and therefore would be "pretty strong stuff". Perhaps I'd be able to have some decent sex at last, I thought. I couldn't believe my luck when I saw who was on the shoot with me – Candida!

She didn't seem surprised to see me, though. "Of course I knew you were coming, Eleanor," she grinned at me as I hungrily eyed up her curvy body, which was clad only in a white silky dressing gown. "It was me who recommended you for the job. The photographer wanted someone who was willing to go all the way — who else could I think of?"

In the changing room Candida explained about the shoot to me. "It's going to be pretty horny stuff," she told me, helping me to undress by pulling my mini-skirt down around my knees and caressing my stockinged thighs with her hands. "The Dutch market is very liberal, you know."

I asked her what the set was like, and she replied, "It's a bathroom. Basically the photographer has set up a sunken whirlpool bath here, and lots of warm water and bubble bath – and the rest is up to us..."

She trailed off as her mouth paused just a couple of inches away from my cunt. I was only wearing a pair of tiny red knickers, and I knew there was a slowly spreading wet patch on the front of them where my sex juices were starting to leak out. Just feeling Candida's hot breath fanning my pussy and her hands stroking my inner thighs again was enough to make me feel as if I'd had a gallon of Spanish Fly!

Without another word I took off my bra, freeing my tingling boobs and reaching up to play with my nipples as Candida pulled down my knickers to reveal my hairy, black pussy. She buried her face in there and started to slowly lick up and down my

wet crack, making my cunt tingle with excitement, which was heightened when she started slowly rubbing my clitty with her fingers. All I could do was stand there and hope that my legs wouldn't give way as her expert tongue made me come again and again.

Just as I was recovering from yet another very satisfying come, there was a loud knock at the door and a deep voice called out: "I know what you two dykes are up to in there. But why don't you come out here and do it for my camera!''

I went red, knowing that the photographer realised we wouldn't be faking our lust for the camera, but Candida is so brazen that she just laughed and called out that we'd be out in a moment. With that she got up from her knees, peeled off her dressing gown and pulled me by the hand out into the studio.

I got a bit of a shock when I saw that the photographer was female! The deep, gruff voice had fooled me into thinking that it was a man, but when Candida introduced me to Madeleine, I knew immediately why she was in this game.

She was very tall, almost six feet, and with a very muscular build for a woman. She looked me up and down, a glint of desire in her eyes as she saw the way my nipples were pointing skywards and my skin was flushed the way it always is when I've just come. "Yes, I can see why Candida recommended you for the job," she grinned.

Candida smiled back, and the way the pair of them looked at each other made me sure that the two of them had been more than just work colleagues in the past. It was strange to think of the beautiful and very feminine Candida with Madeleine, who could not be described as anything but butch, but I was certain that before long I'd be seeing the attraction.

We got to work very quickly. I'd never been in a whirlpool bath before, and what I'd been missing! As soon as I slipped into the warm water and felt the thousands of hot bubbles stroking over my skin and making my body throb all over, I felt as if I was having a hundred orgasms at once. The added bonus of Candida's smooth body rubbing next to mine as we posed for the first lot of face-to-camera shots made me lose control completely. The shutters on Madeleine's camera were clicking away like mad, as she tried to capture the ecstasy flitting across my face.

By now I hardly knew where I was, and I certainly didn't care. When Madeleine emptied a bottle of peach scented bubble bath into the tub, and I felt the water turn silky as it filled with bubbles, my pussy got so wet I thought I'd fill the bath with love juice.

"Right," Madeleine barked. "Now we'll get started on the proper stuff."

Copying Candida I knelt up in the bath, the water swirling around the tops of my thighs and lapping at my pussy as if dozens of women were licking me out, and I held my boobs up to the camera, pointing my nipples right at Madeleine and licking my lips so that she could get some really horny shots. Candida was doing the same, and I could swear that Madeleine's legs looked wobbly as she tried to control her lesbian urges.

Then she called out more instructions. "Finger each other," she told us. "I want to see you both with your fingers in each other's cunt, going in and out slowly so I can get it on film. Really frig each other so when people see the shots they'll see that you're both coming."

My nipples were so hard by now I thought they were going to burst as Candida moved around in the water to face me. She started to kiss me passionately, snaking her tongue in and out of my mouth with her lips wide apart so that Madeleine could capture everything with her close-up lens. Then she

moved her fingers down my side, stroking my skin the whole time until she came to my soaking pussy.

As soon as her fingers, one from each hand, pushed their way between my love lips and deep inside my cunt, I shuddered to a huge climax. Copying her, while we still snogged madly, I parted her love lips with my thumbs and pushed my index fingers inside her.

Her pussy walls closed around them, fucking my fingers. Madeleine yelled, "Do it harder! Let's see some real movement down there", and immediately we were frigging each other wildly. Madeleine had turned the water jets up even faster so that we were being pummelled by water from all sides, covered in bubbles, the whole scenario just driving me to climax after climax.

I felt a sudden shock of cold air next as two strong arms lifted me clean out of the water and posed me, tits thrown forward, legs splayed wide apart, my pouting pink pussy fully exposed, perched on the side of the bath.

Madeleine wheeled the camera around to the other side of the bath, and positioned the close-up lens so that she could see right inside my cunt. At once Candida pushed her tongue into me and started furiously licking me out.

"Not too fast to start off with," Madeleine barked as it looked as if Candida was getting out of control. I could hardly control the quaking inside my cunt either, but Madeleine said, "I want this to last, you know — I really want to milk these shots."

Candida pulled her tongue out of my cunt and looked right into my eyes, smiling, her lips and nose covered in a mixture of water and my own love juices, before pulling me towards her and kissing me fully. I tasted my own come and it made me even more horny. My cunt was aching and burning, and so wet that I could hardly sit still. I had the uncontrollable urge to close my legs around something hard and long and hug it inside my cunt, and the longer Candida's teasing went on, the more frustrated I was feeling.

Madeleine was frantically clicking away with the camera, catching the ecstatic expressions on my face and using the close-up lens to focus on my cunt, which was all shiny pink and wet with my come. I'd lost count of the number of orgasms that had pulsed through me by then; all I could concentrate on was hitting the big one which I knew now wouldn't be long in coming.

Lying back on the side of the bath, I held my thighs as wide apart as they could go,

parting my cunt lips with both thumbs so Madeleine could get a good shot right up inside me.

"Fuck my cunt, Candida," I rasped, my breathing hoarse by now. "Get your tongue in and fuck me!"

Candida didn't need to be told twice. Her tongue was inside me the next instant, and I had the most tremendous climax, bucking my hips right up off the floor as Candida plunged her tongue into me again and again. My whole body's nerve endings seemed to be concentrated in my cunt, and my juices seeped out faster than Candida could drink them.

I was gasping for breath when Candida climbed out of the bath and knelt over my face, slowly lowering her cunt right over my mouth. "Now it's your turn to eat me," she whispered.

I looked up briefly, to see her tweaking and pulling her erect nipples for the camera as Madeleine crouched to the side of us. The crotch of her jeans was stained with a large, dark patch of love juice. The whole situation was so erotic that I just closed my eyes, pushed my tongue back into Candida's cunt even more frenziedly than before and came again, shuddering all over.

Candida wasn't going to be quiet about her own climax though. "God, I'm coming," she yelled, wriggling on top of my face so that I could only breathe in the smell of her come as I fucked her with my tongue. "Oooh... fuck me harder. That's it..." Her voice trailed off into a semi-scream as she came, not one orgasm but several joined together.

Madeleine was thrilled with that photo session, and it was so dirty that she managed to sell her pictures pretty quickly — you can see some of the finished product here. But things didn't end there, as you can imagine. Having seen me make Candida come so hard and fast, Madeleine wanted a taste of the same pussy medicine.

We didn't need to be told what she wanted. At the same time both of us stood up and and pulled Madeleine to her feet from her crouching position and stripped her, tearing off her shirt and the jeans that were soaked at the crotch. She wasn't wearing a bra because her body was so beautifully firm.

As she stood there, her knees like jelly, I couldn't wait any longer. I ripped her panties, tearing the bikini strap around her hips so that they just fell to the floor, then dropped to my knees and buried my face in her cunt.

She squatted over me as I licked her, her cunt juice quite pungently delicious. Candida was kneading Madeleine's boobs as I brought her off again and again.

Candida also took some snaps of Madeleine and I in a filthy 69, and all I have to do to arouse myself is take them out of my handbag and have a good look at them — they get me wet in seconds!

COUPLES CONFESS

Share and share alike! That's the idea of good group sex. And here in Couples Confess is where you share your dirtiest real life experiences with us

Last Christmas I certainly got more than I bargained for when I went downstairs on Christmas morning. Even now, just thinking about what happened that day has my knickers in floods and my fingers frigging my clitty before you even have time to say, "Fuck." And now, a year later, I thought your readers might want to know just what happened to get me into such a state of excitement.

My husband and I have always had an open marriage, and both of us have slept with lots of other partners with the consent of the other; we've even attended a few swingers' parties, and that's always proved to be great fun. However, since my husband started his new job as night-shift manager at the large local factory which employs most of the population of our town, he's been very uninterested in sex. He's just too tired!

At first this got me down a little, because I was used to being extremely active in the bedroom (or anywhere else for that matter), and believe me, I spent a good many evenings lying awake in my room, masturbating myself with my fingers or my dildo, until my cunt was pink and aching. But I still wasn't satisfied. What I needed was a

hard cock.

I think my husband, Dan, could tell how frustrated I was, because eventually he came home one day and announced that he'd found a lodger for our spare room.

At first I wasn't keen on the idea of having some stranger in my house, making even more work for me, but when Dan brought Steve home I soon changed my mind. My cunt changed it for me!

Steve had been working on the same shift that Dan managed, but he'd just gone back to college and needed somewhere cheap to lodge. Dan had asked him to move into the spare room, subject to my approval, to be our lodger.

Just looking at this 20-year-old specimen of hunkhood almost made me cream my panties on the spot. Steve was six feet tall, well-built, with a lovely tan and swept back blond hair that made him look like a fifties film star. And the way he wore his skin-tight jeans had me spellbound right from the first moment.

Dan could tell that I really fancied Steve; in fact, he's since admitted that he deliberately set the whole thing up, because he knew I'd fancy Steve and that he wanted to find me what he called 'a distraction' to make up for our lack of sex life. Of course, I didn't know this at the time. It never entered my head at first that I might fuck Steve. While I've already said that Dan and I are pretty liberal, fucking someone under your husband's own roof while his back is turned and without him knowing about it is another thing altogether.

Still, a little harmless flirting wouldn't come amiss, and now I'd really have something to focus my frigging fantasies on!

So from October to December I made sure I flirted with Steve at every opportunity. I'd walk around the house in my flimsy silk negligee when Steve was at home studying, so that he could see the outline of my trim but hour-glass figure and could tell that I had no panties on. My pussy would juice up as I brushed against him whenever I got the chance, or touched his arms or knees when we were talking, and I could see him eyeing up my boobs and legs, and the sexy clothes I'd always try to wear when he was around. He was enjoying the flirting as much as I was, but that was about as far as it went. He was a good-looking boy, but shy, and I think he didn't want to do anything that would hurt Dan either, as Dan had been good to him. Little did he know that Dan was right behind my little tricks!

I didn't know either, but one night, when Dan was off work sick, he suddenly came out with: "I've seen the way you flirt with Steve, Trish. But don't worry, I won't mind if you want to have an affair with him. In fact, I'm surprised that you haven't given him a good tossing off by now, you're so randy for him."

I was speechless. There was I, trying desperately to hide the fact that I was dying to fuck Steve, that my cunt was aching for it, and Dan had completely sussed me out! There was no use denying it, so I just brazened it out. "Yes, Dan, I really want that fat cock of his up inside me."

"Well,'' Dan replied, "I think you should fuck him then. But I reckon you'll have to take things slowly — the poor lad's probably terrified!"

So we agreed that I should start an affair with Steve — the only criteria was that I had to keep Dan informed every step of the way. I know it seems like a funny idea, fucking another man under your own roof with your husband's full consent, but as Dan said, he couldn't be hurt because it was his own idea!

The plot was hatched, but it was easier said than done. Steve obviously felt so guilty about the way his crotch would bulge whenever I flirted with him that I sensed he was avoiding being alone with me. It took me a while to get my chance to make my first move but a couple of weeks after Dan and I made our agreement Steve wandered into the kitchen in his pyjamas while I was just starting to do my chores.

He looked so gorgeous standing there in his baggy trousers with the winter sun shining on his hair, that I was trembling with lust right away. He started making me a cup of coffee, and as he bent over the sink I could see those firm bum cheeks outlined through the thin material. Before I knew it I'd gone up behind him and had cupped my hands over them, moulding them with my fingers. They certainly were very firm.

Steve turned round then, not speaking but obviously surprised that I'd taken matters into my own hands — but instead of seeing my face, all he was confronted with was the top of my head as I slid down his body, taking his loose trousers with me. I finished up kneeling on the floor, my head just level with the largest and most bulging cock I'd seen for a long time.

I couldn't believe it. The tip, all purple and swollen, was bobbing about in front of my face, just begging for me to suck it. As I gripped it firmly between my lips and dragged it back into my mouth, I looked up to see Steve's face contorted into an expression of ecstasy. I tightened my grip.

"Suck me," Steve groaned, pushing his hips forward and urging me to take him all the way in. "Suck me off, Trish, you horny bitch!"

Taking a deep breath, I took his cock all the way back into my throat, sucking like a maniac until I felt it pulsing and I knew he was going to come. All I could think of was tasting that thick, salty load and feeling it trickle down my throat.

When he shot off, I swallowed it right away, and immediately stood up and kissed him firmly, tangling our tongues so that he could taste his own come.

I think he was really embarrassed after that, because he definitely started avoiding me, staying out late every night and keeping out of my way in the house the whole time. To be honest, I was a bit pissed off. After all, it was only a blow-job!

And I was still positively aching for his cock as well. All I could think of the whole time was straddling that thick dick and riding it till I couldn't hold myself back any longer. I think Dan knew what was happening — I told him about the kitchen episode but said nothing about Steve avoiding me — but he didn't say much except how much it turned him on thinking of his wife sucking off another bloke.

The following week it was Christmas, and to my surprise Dan announced that Steve would be staying at our house for the Christmas period, instead of going home to see his family. I didn't say anything, however, and we had an extremely good time on Christmas Eve, getting very drunk at a neighbour's party and staggering in at 3am. Normally Dan and I would have opened our presents there and then, but we were in no fit state to do anything except sleep.

Consequently, the next morning when Dan woke me, I was feeling pretty groggy, and didn't really take much notice when Dan dragged me downstairs to see my 'special' present.

Rubbing my eyes, I followed him into the lounge, to be met by a sight that I couldn't even have dared imagine in one of my wildest frigging fantasies. Standing in the middle of the room, naked except for a red ribbon tied around his straining and very hard cock, was Steve.

"The thing is," Dan said, turning around to me, his excitement very obvious under his dressing gown, "that Steve came to me and confessed about what happened. I think he thought I'd kill him, but as you know, all I wanted was for him to keep you happy."

Steve had blushed as red as the ribbon by now, but I couldn't help noticing that his cock was rock hard now, bobbing up and down in front of him. But Dan was still speaking.

"So I thought that I'd organise a special present for you, Trish. Steve's your present, and he's going to fuck you."

As if I hadn't guessed that already. Without stopping, I walked up to Steve and slowly undid the ribbon on his cock. Behind me I could hear Dan walk across the room and I could almost smell his excitement. Then Steve grabbed hold of me and pulled me to the floor on top of him, so that I could feel that hard, stiff cock sticking into my stomach as we kissed and groped each other.

Wriggling forwards, I positioned myself on Steve's face and for the first time felt his tongue, all hot and wet inside my cunt while he worked his thumb over my aching clitty again and again. It was no good — I was going to come for Steve, in front of my husband.

The orgasms came hard and fast then, and I just threw my head back and howled as Steve tongued me harder and faster, gripping my hips so that he could lick me out from the inside. As I writhed there, I heard the whirr of machinery, and looked up to see Dan, cock in hand, gleefully filming away.

"Fuck her, Steve," he urged, wanking himself as he took in the sight of his wife now being placed on top of another man's cock ready for a thorough fucking. "I'm getting all this on film."

I felt Steve's hard, hot prick slide up inside me, filling me up so full I thought it was going to come out of my throat, and then he was thrusting into me and I was thrusting back, riding him for all he was worth, gasping and yelling at the stabbing pleasure of being fucked by my young stud.

"I can't hold back, Dan," Steve yelled as I was coming for the umpteenth time. Dan immediately pushed the video camera closer, and the guys had obviously concocted a plan, because the next minute Steve had hoisted me into the air so that he could pull his cock out of me, and I felt the hot spray of come hitting my boobs and face as Steve shot his load over me before letting me down again, to sit wetly on his stomach. Almost immediately Dan came across and offered me his cock to suck, and it was only a couple of minutes before he shot his load in my mouth. There was so much of it that it dribbled down my chin.

The camera was still filming at that point, because we all watched the video of it later on and ended up fucking again, this time with me riding Dan's cock as I sucked Steve off. Steve was the best Christmas present I've ever had, and even a year later he's still lodging with us and keeping the smile on my face — and Dan's collection of home movies has tripled! — *Trish, Hounslow.* ♣

Hello My Friends

Yes, that's right, I am Guilty on all seven counts of giving **value for money** to my customers. Now I have moved into the UK from Denmark and have brought huge stocks of explicit sex videos with me. Don't confuse these explicit hard-sex action videos with the usual British rip-off rubbish. Let me assure you that these videos contain only genuine explicit hard-sex action which can no way be mistaken for your English videos. Because of old fashioned Britain's Censorship Laws and my explicit titles, I prefer you to order each video by its code number. I am sure you will be happier with full action content rather than an impressive title! So my friends (and we will remain friends when you see my quality and explicit action films) just make your choice and buy with confidence. Please check the bulk offers, as I can give a huge discount on two or more videos —the more you buy, the cheaper I can sell to you. Hoping we have much business in the future.

SUZIE SUPERSTAR

She is a sex superstar. She screws regularly with her manager, picks up studs in the clubs, two or three at a time, but what she likes best is picking up girls and getting right inside their soft yielding bodies.

MISBEHAVING

Who will randy Rita marry? Will it be Ted the Trucker with his coarse hands and even coarser manner. Will it be Rick with the extra one that Rita loves so much or will she simply move in with John & Cathy, the bi-sexual couple who have her together.

before we start, you might like to have a pen and paper handy to take down a couple of notes. Now where were we? Oh yes... when we say Fiona is a virgin, we don't mean it in the usual way! "You're right," laughed 21-year-old Fiona, "I'm a Club virgin — for that matter, this is my first time in any mag! Mind you, a girlfriend of

mine was in Club recently, and she got sackloads of letters. Some of them were really naughty, saying how they'd love to lick, kiss, caress and suck every part of her body! I was very envious because I hardly get any letters, so I hope all you readers who like looking at my boobs and bum are going to let me know. Soon!" Well guys, put that down and get your pens out! ♣

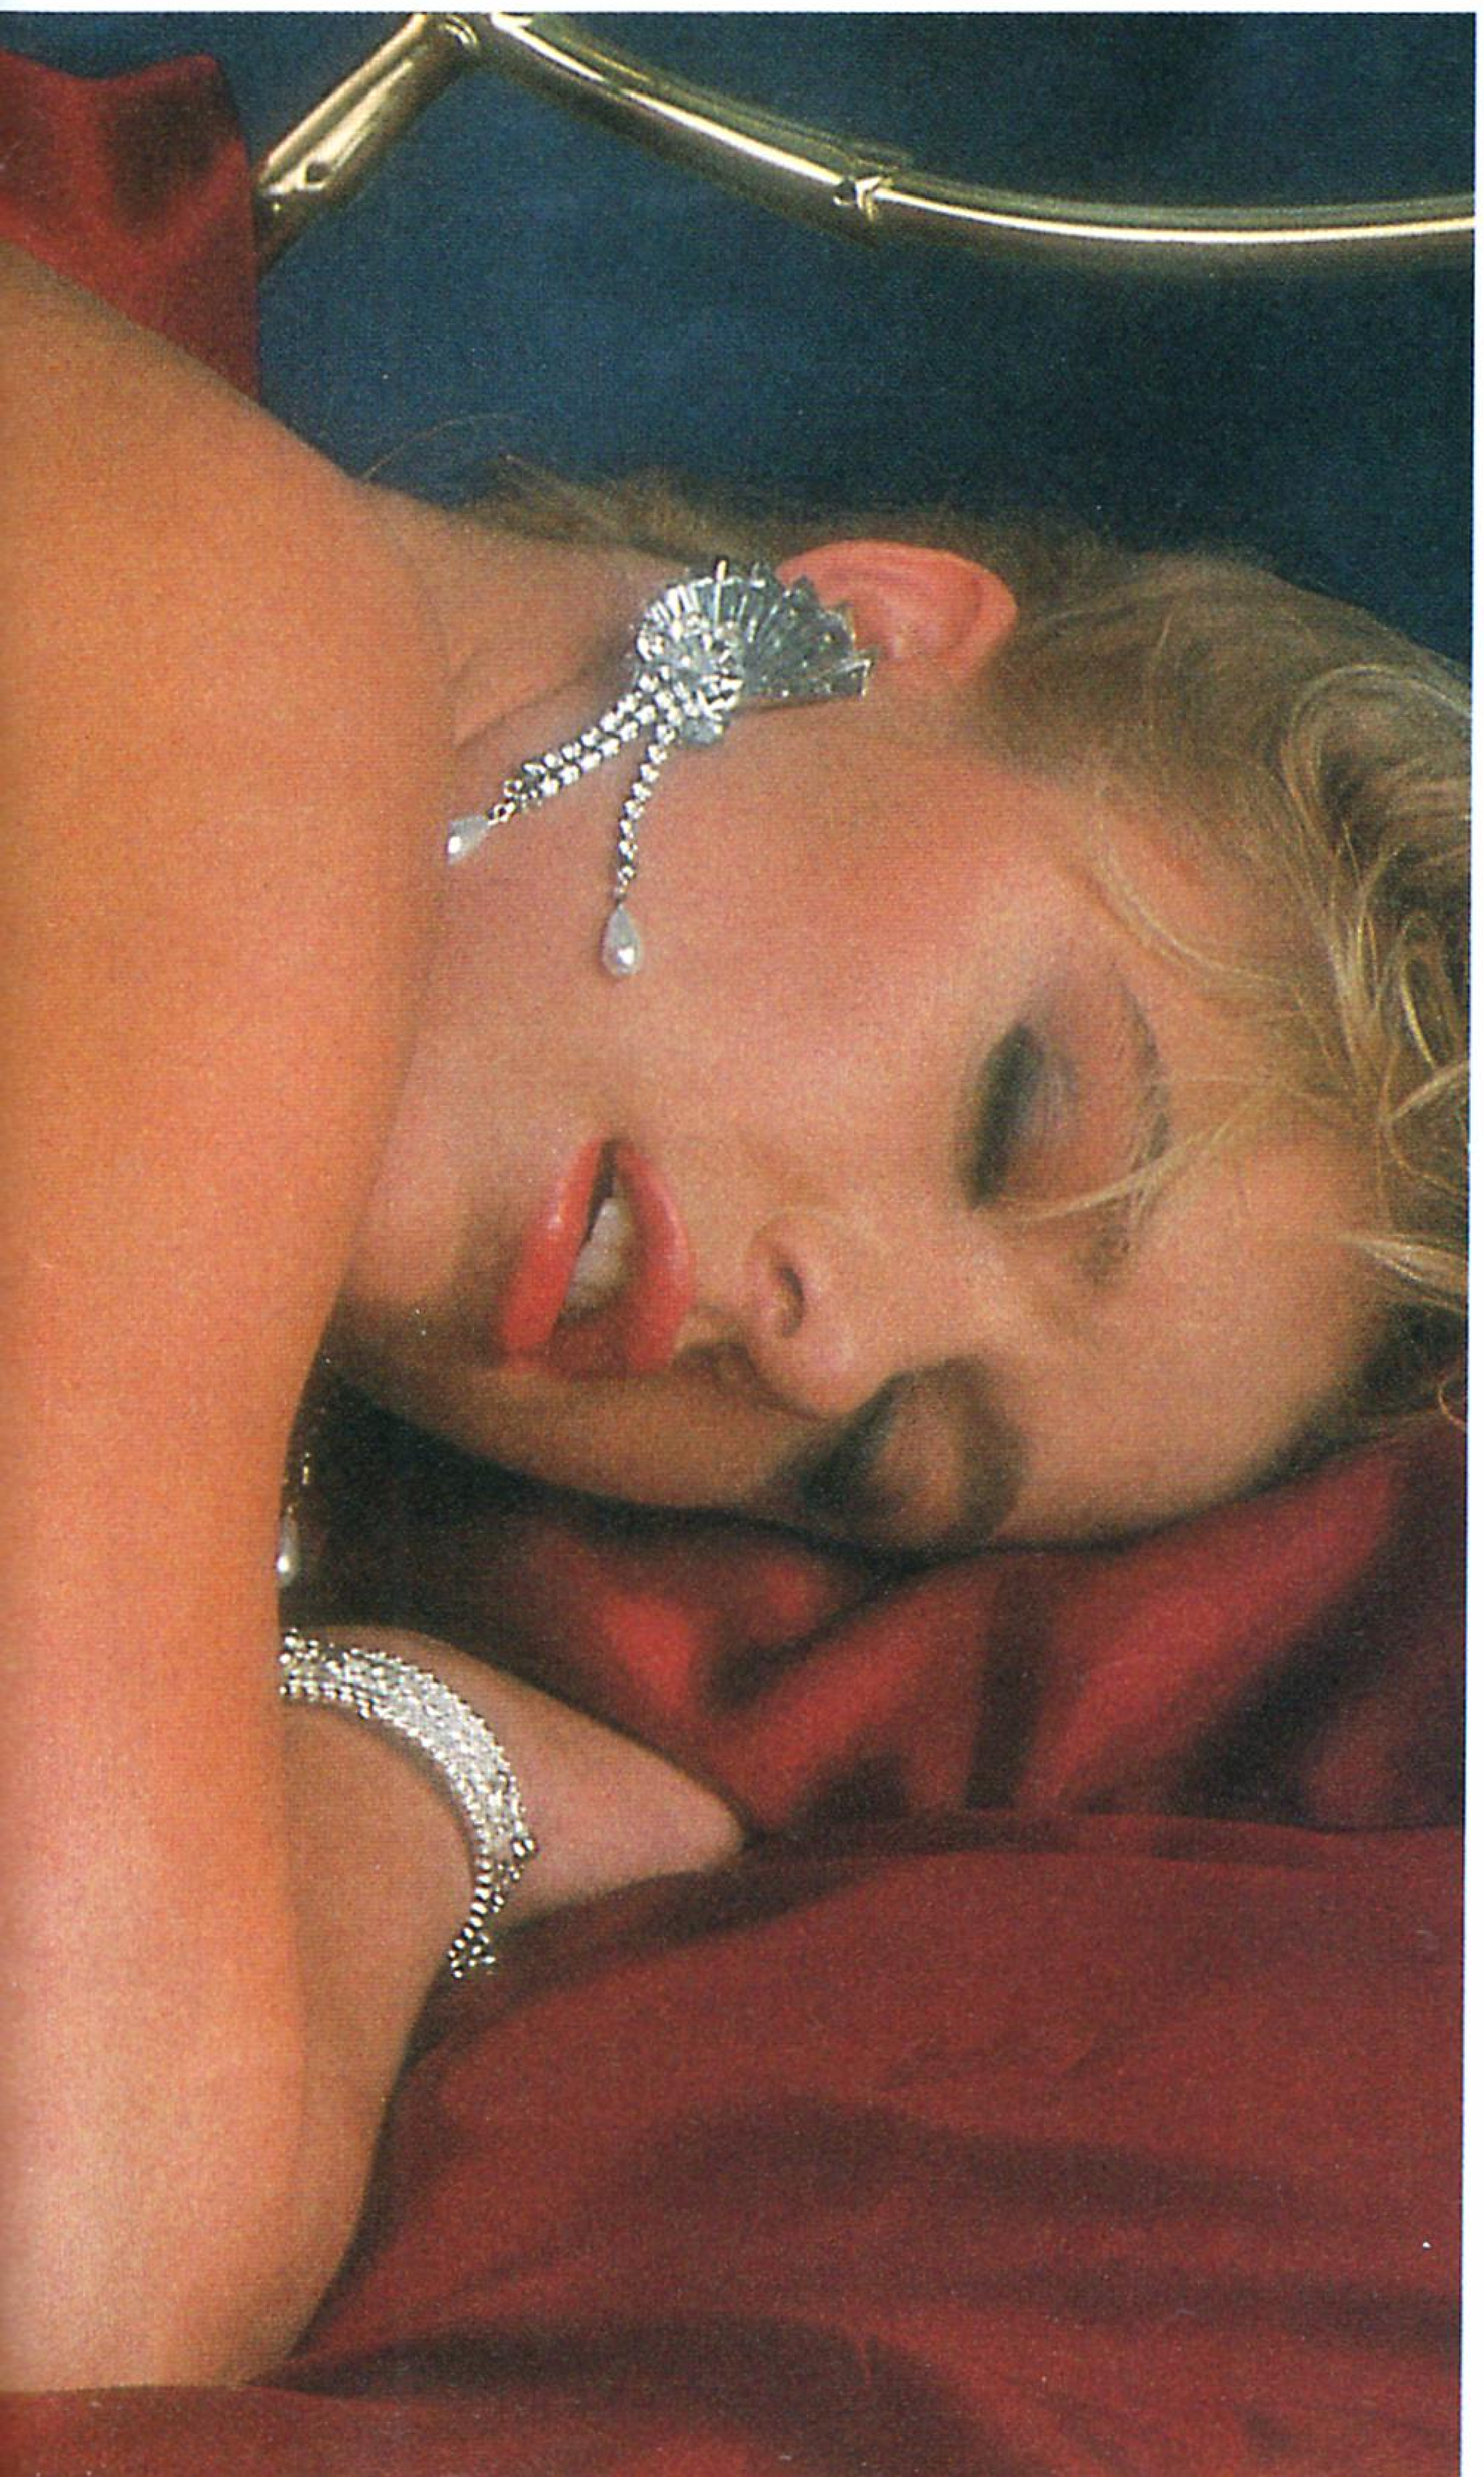
SHELLEY

Shelley, our blonde bombshell from Buxton, has the sort of figure that turns heads wherever she goes. "It's funny but I always used to wear long skirts that covered my bum," reveals our pert 22-year-old. "But then one day I tore my favourite skirt and had to borrow a pair of my sister's jeans. Problem was, she's a size smaller than me



so they were a real squeeze to get into. But, boy, the effort was well worth it! Everywhere I went blokes were looking at my little bottom switching from side to side. In fact there were so many eyes burning into my bum, I swear I could feel my cheeks getting hot!" ♣

HAPPY NUDE YEAR!

Next ish is our hyper-huge sextra sizzling biological cool 'n' creamy anniversary issue (Club is 20, in case you're interested). But can it possibly be any better than all the other epoch-making issues we've published? 'Course it can – 'cos it's got our triffic Girl of the Year in it! (As well as Cathy here.) So just buy it, please, otherwise we'll all be out of a job. Ta. ♣

IN·THE·BAG

continued from page 43

and she said it would just annoy Rosie, but as she said it she pushed my hand down towards her pussy. She wanted me to frig her in a crowded bar, with her friend sitting right next to us!

"Nobody will notice," she giggled, and so I gave in to her demand. I managed to ease her knickers down a little and slide two fingers into her crack. Then Rosie began to stroke Nina's thighs. As her hand crept up her pal's leg, my playmate came again, spilling her juice over my fingers, and I offered them to Rosie to suck.

Rosie licked my hand, then stood up suddenly and said they had to go. The two girls giggled as they left, Rosie kissing Nina softly on the cheek and telling me "Don't worry, I'll look after her now!" I'd do anything to know what happened in their bed later that night! — *Andrew, Durham*

Upstairs, Downstairs

From the word go, my husband John taught me to expect lots of fucking, but we always accepted that the age difference between us would eventually cause problems. But when he suggested I should try screwing our friend Chris I nearly fell off my chair!

I had to admit I'd always fancied Chris, a handsome guy whom I'd noticed giving me the eye several times. When John told me he'd invited Chris round that night I realised they'd worked the whole thing out!

John dressed me in stockings and suspenders for my adventure, then picked a white blouse and white skirt which made me look very innocent. He wouldn't let me wear a bra or panties, so I felt deliciously sluttish.

Just before Chris was due to arrive, John told me to lie on the bed, and pushing my skirt up around my waist, he began to lick my pussy. Soon I was running with juice, and begging him to fuck me, but he just laughed, knowing I was aching for cock.

By the time Chris rang the doorbell I was feeling horny as hell, and we didn't even pretend to make small-talk. He just put his hands on my tits and started rubbing my hard nipples, while I stroked the bulge in his trousers. Chris pulled off my clothes and his eyes lit up when he saw my nice big tits and cute little cunt. His throbbing cock was standing out like a ramrod as he hurriedly undressed.

I expected Chris to jump on me straight away, but instead he asked me to put on my sexy thigh length boots, so I ran upstairs to fetch them. My husband was lying naked on our bed. I asked him if he wanted to come downstairs and watch Chris and I together, but he said he'd rather listen!

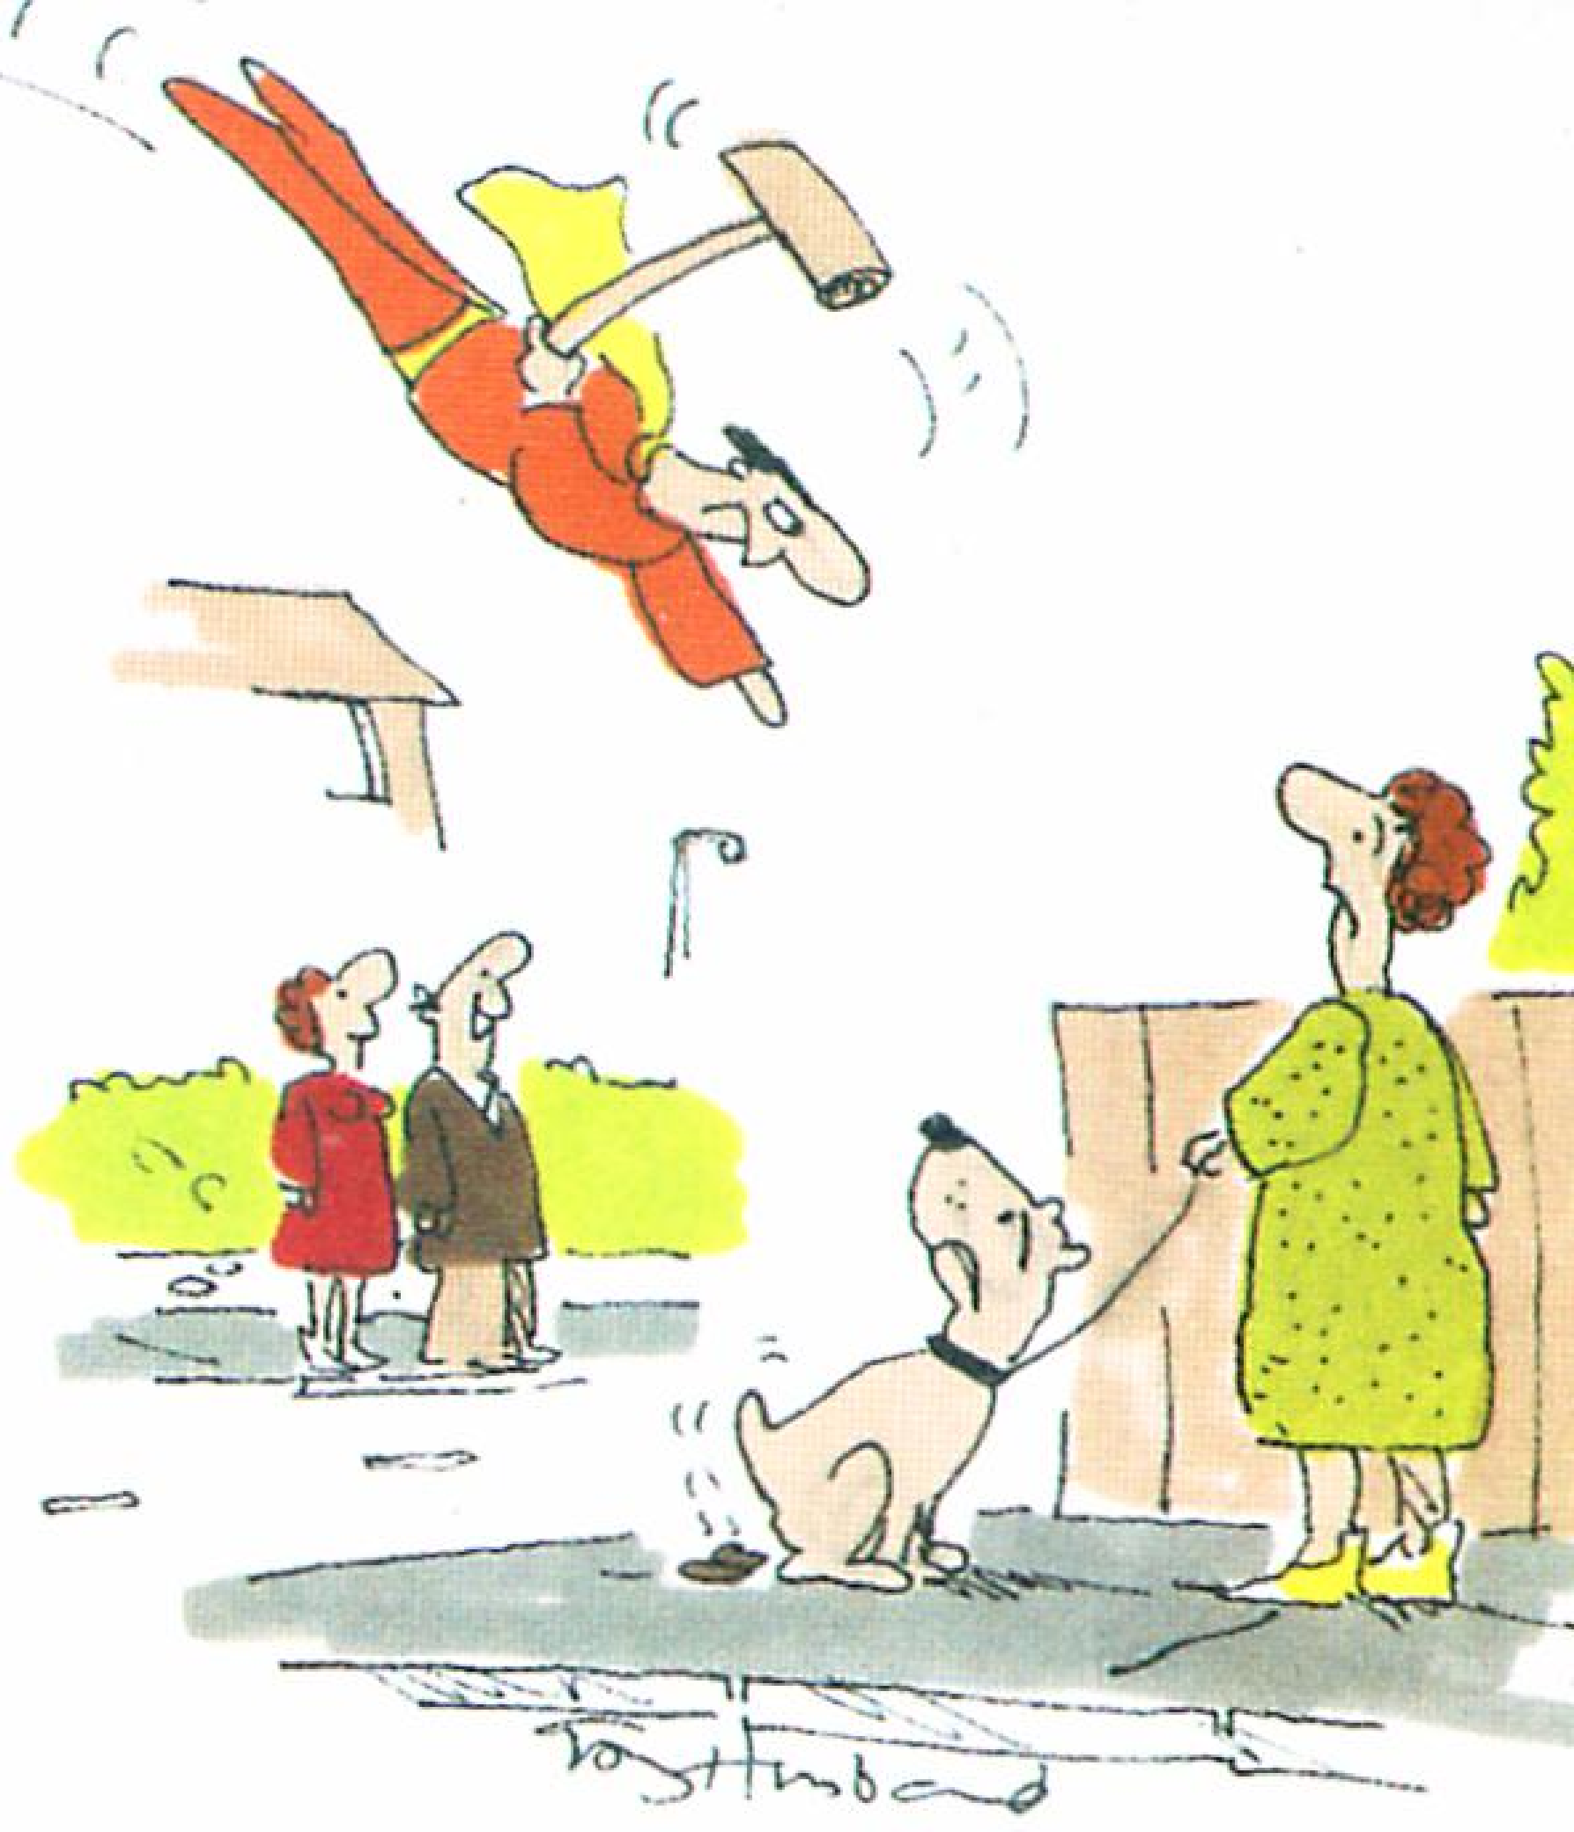
I put on the naughty boots and went back downstairs. I stood over Chris in my high heels and he reached up and pushed three fingers into my sopping fanny. I squirmed on his hand as I felt a massive orgasm coming.

Chris pulled me to the floor, rolled on top of me and began to tease my swollen pussy lips with end of his cock. I begged him to fuck me and shoot his come.

Just when I was going mad with frustration, Chris plunged his cock into me. I came immediately, as wave after wave of pleasure pulsed through me. Chris began to fuck me hard, bringing me to another climax before he shot his spunk into me.

As we lay panting on the floor, I heard John call my name. I ran upstairs and he said the expression on my face told him what a good time I'd had. Then he licked my pussy before I went back to Chris for more fucking.

Since then, the three of us have spent lots of time together, with Chris still giving me as much cock as I can take. — *Carol, Aldershot.* ♣



Hooray! It's dog crap man

POETRY CORNER

"Poetry," wrote Geoffrey Chaucer, "is a pyle of olde ponyee. Iff onlee sum cunte wooud invente thee electricey gitare I cood rite 'My Way' and make a fortunee!"

But still, centuries later, the art of talking shite and hoping to get paid for it lives on with RH from the Wirral who's written a saucy stanza all about Club Vol 19 No 10 and the girls therein.

Take it away, RH... and don't bring it back.

Do not seek a uniquer Marika
Or a gel aussi belle as Racquel;
Don't ask yourself if any Tiffany
Would stiffen 'e up just as well.
Dream you fell on a melon of Eleanor,
Or Jess gave her fesse to caress;
A Miriam thanks to Felicity –
Mine's a large Ginn and Toni, I guess.

Thanks, RH. Don't call us, we'll call you. ♣

FINAL SCORE

Club's resident know-it-all, **Vinny Sprockett**, *lists twenty things that should never have been invented. What he forgot to say is, that he's the twenty first....*

1. Pubic Hair.
Reason: It gets in your teeth, itches like bugger when you shave it, harbours creepy crawlies, causes funny smells, hides a girl's interesting bits, and serves no known useful purpose.
More useful alternative: Soft, smell-free, smooth, bare, bitable, lickable, suckable bits.

2. Timmy Mallet. *Reason*: He's crap. *(I think he's very funny actually. I can't start the day without a good dose of* Wacaday *– Ed)*
More useful addition to the human race: Saddam Hussein.

3. Swing-top rubbish bins.
Reason: They've got as much swing in them as a two inch dick.
More useful alternative: Large biodegradable plastic bags nestled neatly into a wide-mouthed recycled cardboard box. Or next door's skip.

4. Tights. *Reason*: They're unhygienic, a major cause of thrush and about as sexy as a pig rolling in bat's droppings.
More sexy alternative: Sensual silk stockings revealing a short expanse of milky white thigh, thus allowing easy access to a plump and preferably lacy, faintly aromatic gusset (i.e. lunch).

5. 'Allo 'Allo. *Reason:* It's not very funny.
More cultural alternative: Something with a more authentic French feel, like a sensitive, arty movie with subtitles by Jean-Luc Goddard, where a girl dressed as a maid gets her tits out a lot.

6. Tight pants. *Reason*: They hurt your bollocks.
Suggested alternative: Wear looser ones.

7. Edible condoms. *Reason*: It's hardly safe sex, is it? I mean, do you really want your dick *chewed*?
Suggested safer, more comfortable alternative: Jar of honey and a spatula.

8. Small knobs. *Reason*: They're embarrassing. At least, that's what the Ed says.
Suggested more manly alternative: Being hung like a hosepipe.

9. Nipples for men. *Reason*: Breast feeding? Leave it to the birds.
Suggested useful alternative: A spare pair of bollocks.

10. Long skirts. *Reason*: When was the last time you got a hard-on looking at a pair of bare ankles?
Suggested more neck-friendly alternative: Short yet looser design which blows up easily at the slightest gust of wind, is see-through even on the darkest November evening and also rides up unnoticed when the wearer is sitting opposite you on the train.

11. Skol lager. *Reason*: it tastes like piss.
Cheaper and more effective alternative: Hoffenstrongbastardbearbrewlsch Artois.

12. Status Quo. *Reason*: They're crap.
Suggested less crap alternative: Kylie Minogue. At least you can fantasise about her tits.

13. The menstrual cycle.
Reason: It turns your woman into a manic depressive, short-tempered, axe-grinding, homicidal monster.
Less harmful alternative: Mad cow disease.

14. Bullseye. *Reason:* It's a pile of patronising old shite. There's more pricks watching it than there are on the bloody dartboard. *(Actually I quite like it – Ed)*
More entertaining alternative: Sucking sick through a straw.

15. Simon Bates' Our Tune. *Reason*: You know the bloke's going to fall off his motorbike on the way to the hospital to tell his bird that he really loves her and that he'll never see the baby that he doesn't know he's fathered because she was too scared to tell him about it in case he chucked her.
Suggested less predictable alternative: Records you've had a really good fuck to.

16. Dog shit. *Reason*: It stinks, causes that rather dangerous friction-free feeling on pavements and sticks to the grooves in the bottom of your trainers so when you sniff it to check that it really is dog shit it makes you gag.
Suggested more environmentally friendly alternative: A cork shaped to fit a dog's arse.

17. Pot noodles. *Reason*: They're not exactly the healthiest form of nourishment known to man.
Suggested healthier alternative: Pot lentils.

18. Brut aftershave.
Reason: It doesn't smell very nice at all and there's no point in selling things in bottles unless you can drink them.
Suggested nasally pleasing alternative: See no 16.

19. Flares. *Reason:* Donny Osmond had a pair.
Suggested more fashionably credible alternative:Jon Bon Jovi-style tight-as-a-camel's-arse-in-a-sandstorm stripey strides that really show your packet off.

20. This fucking column.
Reason: The Ed gives you a deadline two days *after* it's supposed to be in so you have to stay in when you could be out bowling with your mates.
Suggested alternative: The Ed gets his sticky little finger out next time.*

*This is heavily laden with irony, and yes, I'd still like the job please. ♣
